Pankonin,2009-04-13 This cookbook is a tribute to and a sharing of my family s Italian heritage My grandparents came to America in the 1800s from a small village above Naples They brought their customs traditions and experiences to America My mother Celia was the youngest of nine children in the family These recipes came with them over a century ago We grew much of our own food baked bread and raised our own chickens We were poor by many standards but we never knew it We had it all With today s hectic lifestyle and pressures this cookbook will help your family occasionally escape the rat race and go back to a simpler time As a family you can enjoy cooking one of our original recipes together The recipes in this cookbook are clear and precise with step by step preparations They include insights of the joy my family experienced This cookbook is truly a unique Italian family experience *The Best Slow and Easy Recipes* Cook's Illustrated,2008-10-01 Recipes don t have to be fast to be simple this easy cookbook gives you 250 recipes that prove building flavor slowly leads to fantastic results with minimal hassle The appeal of cooking food slowly is undeniable a moderate oven temperature and extended cooking time can build rich concentrated flavor and yield tender juicy meat But when most of us think of dishes that are slow cooking by nature such as roasts braises and stews we think of an all day affair requiring constant attention like something to prepare for a special occasion But in fact in many cases just the opposite is true These dishes are for the most part easy Although they take time the process is largely unattended leaving you free to simply walk away You ll find all the classic slow cooked dishes here dishes where time slow simmering and gentle heat work their magic We promise it s worth the wait **Most**
