 Interior Protection of Environment Waste *International Trade Policy and European Industry* Marcel van
 Marion, 2013-07-03 Trade policy has played a vital role in the decline of European electronics business The events that
 resulted in the disappearance of the European television industry of a European and Japanese video recorder format and of
 other European consumer electronics are directly related to market structures in exporting countries and business practices
 In this book factual business data shows and economic models explain how restrictive trade practices result in elimination of
 efficient competitors in export markets It deals with the memorable case how a videocassette recorder format was
 established by dumping and how politics enabled it An innovative tariff increase for CD players was invalidated by heavy
 dumping causing closure of production in Europe European CTV industry succumbed under permanent dumping and a series
 of biases as the interest of a state owned company and serious errors making trade instruments void and rules irreconcilable
 with international agreements Practical and theoretical examples and explanations some in detail of trade rules are provided
 The book sketches events carelessness prejudice or special interests arbitrary and false application of trade instruments and
 fraud resulting in disappearance of various European electronics business segments *Factory Directory in Thailand 2021*
