

Fairy Tale News Report Reader's Theatre

Anchor: Good afternoon and welcome to A.M. 615, all news, all the time. We begin our programming this afternoon with some breaking news from The Land of Far Far Away. It seems Mr. Humpty Dumpty has had a terrible fall. We send it over to our man in the field, Beestink Jack.

Reporter: Thank you Sandy. I'm here by the well near the castle where at 10:15 this morning, Mr. Dumpty endured this terrible fall. According to sources, Mr. Dumpty was out for his early morning walking when he was overcome by a terrible sneeze that sent him toppling forward. We are joined now by one of the King's horses who was first to arrive on the scene. Good Afternoon.

Subject: Good afternoon Jack.

Reporter: Can you please tell us the state of Humpty Dumpty at this time?

Humpty Dumpty: I'm horrible - obviously!

Subject: Well, all the King's Horses and his men have been working tirelessly to put this shell of a man back together, but it has turned out to be difficult. We fear we may not be able to restore him to his former state.

Humpty Dumpty: I know I should have stayed home today!

King's Man: Humpty! Stop moving! I'm trying to keep your shell from cracking more!

Reporter: Any advice for our listeners?

Subject: Take your allergy medication. We fear that with allergy season starting, there could be many more dangerous falls. Be cautious, don't let that sneeze be your last.

Reporter: And there you have it. From the horses' mouths. Back to you Sandy.

Fairy Tale News Script:

The New Scriptwriter's Journal Mary Johnson, 2013-10-08 The New Scriptwriter's Journal places you the writer in the center of the complex and challenging process of scriptwriting Charge up your imagination while learning how to write a professional screenplay This informational and inspirational guide details the creative aspects of scriptwriting such as crafting dialogue and shaping characters Inside you'll find blank pages to jot down your thoughts ideas and responses to the text creating your own source book of script ideas Whether you're an indie filmmaker longing to shoot your first digital feature or an aspiring screenwriter writing a spec script for Hollywood your journal will be an invaluable resource Special chapters offer insights on adaptation ethics of screenwriting and the future of storytelling in the digital age as well as alternative storytelling Additionally The New Scriptwriter's Journal includes an invaluable annotated guide to periodicals trade publications books catalogs production directories script sources scriptwriting software and internet resources

Using Story Jennifer A. Moon, 2010-06-28 Story is everywhere in human lives and cultures and it features strongly in the processes of teaching and learning Story can be called narrative case study critical incident life history anecdote scenario illustration or example creative writing storytelling it is a unit of communication it is in the products of the media industries in therapy and in our daily acts of reflecting Stories are told in many ways they are spoken written filmed mimed or acted presented as cartoons and in new media formats and through all these they are associated with both teaching and learning processes but in different ways and at different levels As a result of growing interest and simultaneous confusion about story it is timely to untangle the various meanings of story so that we can draw out and extend its value and use Using Story aims to clarify what we mean by story to seek out where story occurs in education and life and to explore the processes by which we learn from story In this way the book intends to bring story into the open and improve its use Building on her wealth of experience in the field Jenny Moon explores the theory of story and demonstrates both its current uses and new ways in which to enrich and enliven teaching learning and research processes Ideal for anyone involved in education personal or professional development or with a more general interest in story the book begins by considering the range of what is meant by story and then considers the theory behind the meanings In the large final part of the book Jenny provides a rich patchwork of different uses of story in education that cut across forms of story story activities disciplines and applications all of which will aid the use of story
