## German Style Red Cabbage Recipe:

**Step-by-step guide to preserving vegetables Fermenting, pickling, canning, dehydrating and freezing your favorite products** ,2024-04-02 How to Use this Book This book is based on my desire to preserve vegetables in ways that my family will eat and do that as efficiently as possible When possible I preserve vegetables in a meal ready way Instead of canning a bunch of carrot slices in quart 1 L sized jars when I bring in a large carrot harvest I ll make a batch of Canned Spice Carrot Soup and a couple of jars of Fermented Mexican Carrots Then I ll use the tops to make Frozen Carrot Top Pesto for the freezer The carrot soup is the only time consuming item the other two can be put together while the soup is processing The first part of this book is an overview of food preservation methods canning both water bath and pressure canning dehydrating fermenting and freezing You ll find the basics of how to use these methods to safely preserve vegetables but you won t find details for every scenario that could happen while preserving vegetables I ve written these chapters with enough information to get you started preserving the harvest but not so much information that it leads to confusion and information overload The rest of this book is focused on growing and preserving the most popular vegetables and herbs that are grown in the home garden Each vegetable has its own chapter and in that chapter you ll find instructions on how to grow purchase can dehydrate ferment and freeze that vegetable You will also find recipes that highlight the vegetable most of these recipes are for preserving the vegetable but some recipes use the preserved vegetable Most of the recipes are written so that you ll preserve small batches at a time simply because I find that adjusting recipes to scale up is easier than scaling down If your family likes a recipe or if you have enough of one vegetable to make two batches of a recipe just double the ingredients and it will work out fine The exception to this is any of the jam or jelly recipes don t ever double a jam or jelly recipe or you run the risk of it not setting up I hope you read through the whole book to get a vision for how these different preservation methods can work together to stock your pantry with food your family will eat Then when a vegetable is in season I hope you reread that vegetable s chapter and make a plan for preserving all of the harvest in a variety of ways Of course I hope that some of our favorite preservation recipes become your family favorites too *Vinegar Revival Cookbook* Harry Rosenblum,2017-08-01 The next frontier in fermenting and home brewing is vinegar the essential ingredient for enhancing your home cooking Just about everyone has at least one bottle of vinegar in the pantry but not many realize how much better the homemade kind tastes the flavor is incomparable And it s easy make all you need is a bottle of your favorite alcoholic beverage a starter or mother of vinegar and a few weeks of hands off time Vinegar Revival shows you how to use homemade or store bought vinegar made from apple cider beer wine fruit scraps herbs and more to great effect with more than 50 recipes Here are drinks and cocktails Strawberry Rhubarb Shrub Switchel and Mint Vinegar Julep pickles Cured Grapes and Pickled Whole Garlic sauces and vinaigrettes Roasted Hot Sauce and Miso Ginger Dressing mains and sides Saucy Piquant Pork Chops and Roasted Red Cabbage and dessert Vinegar Pie and Balsamic Ice Cream Whether you want to
