Waste and Want Susan Strasser, 2024-03-26 An unprecedented look at that most commonplace act of everyday life throwing things out and how it has transformed American society Strasser reads our American history in our tea leaves and countless tons of other domestic garbage as she traces the changing meanings of waste and thrift from Colonial times to the present *The Boston Globe* Winner of the Abel Wolman Award of the Public Works Historical Society Susan Strasser's pathbreaking histories of housework and the rise of the mass market have become classics in the literature of consumer culture Here she turns to an essential but neglected part of that culture the trash it produces and finds in it an unexpected
