There is the danger of this book not representing anything as being representative. It represents the findings from a small number of teachers and schools. It may be that some of the findings are not generalisable, but the point is, what is the probability that the findings are not generalisable?

[illegible]

Abstract

10. None of the above

Keywords: child sexual abuse; disclosure; social support

100

Share the following information: **Results:** While students struggle to fully understand their environmental impact, this research also revealed that community work is vital.
