Level Up Chris Pace, 2024-01-16 IF YOU DON'T FIGHT FOR YOUR FUTURE YOU WILL FORFEIT IT Does it feel like your life is in a holding pattern while others all around you seem to be moving forward with purpose Do you feel disappointed because you're not where you thought you'd be at this point in your life Do you feel frustrated sensing you were made for more but don't know how to attain it Do you struggle with fear and depression desperate to find fulfillment and meaning for your life You're not alone At one point or another we've all heard these words spoken over us You're full of potential But as life goes on what was once a compliment can easily become a painful critique an ever-present reminder that you are not where you could be where you should be One of the greatest tragedies in life is unfulfilled potential all that could have been but never was Sobering isn't it That's why it's not enough to be full of potential unless it's being realized And no one wants to reach the end of their life only to look back with regret
