Marking Time Treading Water Series English Edition:

Marking Time (Treading Water Series, Book 2) Marie Force, 2011-11-27 Her life was torn down to the foundation. Rebuilding will take one small miracle at a time. Marking Time continues the story begun in Treading Water as Clare Harrington begins a new life. She's considered a miracle, but everything that's happened since she recovered from a three-year coma has been something less than miraculous. Now left to grapple with the aftermath of a selfless decision, she is home from the hospital and trying to figure out what the next chapter in her miraculous recovery has in store for her. Meanwhile, her eighteen-year-old daughter, Kate, a talented singer and songwriter, sets out to pursue her musical dreams in Nashville. Her parents have agreed to allow Kate to spend a year there, but they couldn't have anticipated Kate falling in love with a much older man. Her newly divorced parents are forced back together to confront their wayward daughter. Spanning from Newport, Rhode Island, to Nashville, Tennessee, to Stowe, Vermont, Marking Time is the story of new beginnings and new loves. Of Treading Water, reviewers said: Treading Water is a definite must-read. Treading Water creates an emotional firestorm within the reader. It shines the light on the good and the bad in life and proves that one moment can change everything, and it's never too late to find love. Marie Force grabbed my heart and squeezed every ounce of emotion out of it, but most importantly, her monumental story left me blissful. Treading Water may be fiction, but it gives me hope, hope in everyday people and happily ever after. I cannot wait for the next book in this trilogy. Marking Time. Joyfully Reviewed. A Recommended Read for November. This isn't your typical romance where you're positive you're going to get the happy ending you were hoping for at the beginning. It will rip your heart out at times and have you weeping for joy at others. A stunning story about learning to love again and learning when to let go to those you love. Night Owl Reviews. Treading Water (Treading Water Series, Book 1) Marie Force, 2011-10-23 When you're living one step at a time, the next one could change your life forever. Recently back to work after spending more than a year tending to his comatose wife, Jack is focused on getting through each day and caring for his three daughters. However, the moment he sets eyes on Andrea Walsh, the interior designer who has come to decorate the hotel his company is building in Newport, Rhode Island, Jack begins to wonder if Andi might be his second chance. After a disastrous marriage, Andi, a single mom to a hearing-impaired son, isn't exactly looking for love either, but that's what she finds with Jack. The two embark on a long-distance relationship fraught with challenges as they balance the needs of their children and dueling careers while Jack continues to care for his wife, Clare. Just when Jack thinks his life is once again settled, he is confronted with a new challenge that tests him in ways he never could've imagined, leaving him to wonder if happily ever after is in the cards for him. This isn't your typical romance where you're positive you're going to get the happy ending you were hoping for at the beginning. It will rip your heart out at times and have you weeping for joy at others. A stunning story.
