## CAREER PROSPECTS IN LAW

**What lawyers do**  
Lawyers represent the rights of individuals and organisations. They advise on legal matters, draft legal documents, and represent clients in court. They also negotiate settlements and mediate disputes. Lawyers can work in private practice, government, or academia. They can also specialise in various fields such as criminal law, corporate law, intellectual property, and human rights.

**How to become a lawyer**  
To become a lawyer, you need to complete a law degree from a recognised university. After graduation, you must pass the bar examination to become a member of the bar. Some countries also require a period of legal training or articles of clerkship before you can practice law.

**Salary and career prospects**  
Lawyers can expect a high salary, especially if they work in private practice or for a large corporation. The salary can increase significantly with experience. There are also many opportunities for advancement in the legal profession, such as becoming a partner in a law firm or a judge in the judiciary.
