Intersections of Formal and Informal Science Lucy Avraamidou, Wolff-Michael Roth, 2016-03-10 Science learning that takes place between and at the intersections of formal and informal science environments has not been systematically reviewed to offer a comprehensive understanding of the existing knowledge base Bringing together theory and research this volume describes the various ways in which learning science in various settings has been conceptualized as well as empirical evidence to illustrate how science learning in these settings can be supported **Be the Architect of Your Inclusive Classroom** Celia Oyler, Erika Hughes Hooper, Britt Hamre, Based on the authors collaborative work with K 12 public school teachers this practical book offers an invitation to create dynamic learning opportunities in classrooms designed to challenge and support to ALL learners Because teaching contexts are always unique and shifting we cannot rely primarily upon scripts recipes best practices and prescribed curriculum Rather based on teachers analysis of their own contexts the authors describe and show how today s educators can curate strategies curriculum and methods to design a sustainable classroom architecture that maximizes student engagement learning and belonging Attending to principles of culturally sustaining pedagogy Universal Design of Learning and backwards design the text focuses on curriculum design classroom behavior and building relationships with students colleagues families and communities Readers will come to understand why this kind of teaching is both complex and inherently rewarding Book Features Provides actionable tools to create classroom curriculum and practice that will improve learning and equity outcomes for all students Stimulates collaborative dialogue through Fearless Inventories that invite teachers to examine their own practices that promote belonging and student success Uses a lens of critical inclusivity offering a bottom up and collegial approach to designing instruction Focuses on learning rather than compliance and belonging rather than ranking and sorting learners Includes numerous examples of teachers creating inclusive classrooms as central teaching points Streetfight Janette Sadik-Khan, Seth Solomonow, 2017-03-07 Like a modern day Jane Jacobs Janette Sadik Khan transformed New York City s streets to make room for pedestrians cyclists buses and green spaces Describing the battles she fought to enact change Streetfight imparts wisdom and practical advice that other cities can follow to make their own streets safer and more vibrant As New York City s transportation commissioner Janette Sadik Khan managed the seemingly impossible and transformed the streets of one of the world s greatest toughest cities into dynamic spaces safe for pedestrians and cyclists Her approach was dramatic and effective Simply painting a part of the street to make it into a plaza or bus lane not only made the street safer but it also lessened congestion and increased foot traffic which improved the bottom line of businesses Real life experience confirmed that if you know how to read the street you can make it function better by not totally reconstructing it but by reallocating the space that s already there Breaking the street into its component parts Streetfight demonstrates with step by step visuals how to rewrite the underlying source code of a street with pointers on how to add protected bike paths improve crosswalk space and provide visual cues to

reduce speeding Achieving such a radical overhaul wasn't easy and Streetfight pulls back the curtain on the battles Sadik Khan won to make her approach work She includes examples of how this new way to read the streets has already made its way around the world from pocket parks in Mexico City and Los Angeles to more pedestrian friendly streets in Auckland and Buenos Aires and innovative bike lane designs and plazas in Austin Indianapolis and San Francisco Many are inspired by the changes taking place in New York City and are based on the same techniques Streetfight deconstructs reassembles and reinvents the street inviting readers to see it in ways they never imagined Becoming a Better Teacher Giselle O. Martin-Kniep,2000 Provides K 12 educators with information on some of the most effective teaching and learning tools available today Each of these innovations has a long history of use and has been studied and evaluated in a variety of settings Innovations were chosen because they foster a student centered classroom *Exploring Vacation and Etiquette Themes in Social Studies* Cynthia Williams Resor,2017-03-08 This book introduces a thematic approach to social history that connects the past to the daily lives of students Historical overviews of vacation and manners spanning from the ancient world to twentieth century United States provide detailed context for the teacher emphasize issues related to social class sex and gender and popular culture and examine the methods of social historians Four unique primary source sets reading guides and essential compelling questions for students are provided that encourage inquiry learning and the development of critical literacy skills aligned with the Common Core Standards for Literacy and the College Career and Civic Life C3 Framework for Social Studies State Standards Each themed chapter includes suggestions for extending each theme to current events the local community through placed based education and across content areas for interdisciplinary instruction The final chapter provides guidance on how to research additional historical themes locate relevant primary sources and prepare themed lessons and units Investigating Family, Food, and Housing Themes in Social Studies Cynthia Williams Resor,2017-10-08 Investigating Family Food and Housing Themes in Social Studies asks students to critically examine their own culture by contrasting it with the daily lives of average people in the past What people ate where people lived and the functions of families are examined and contrasted to subjective cultural ideals prescribing what families food and housing ought to have been The relationship between housing food and family and social class status and gender are emphasized Each chapter includes essential questions to focus student inquiry historical overviews focused on changes in family food and housing from the pre industrial era through its transformation during the Industrial Revolution and into the twentieth century learning activities and primary source documents and images This unique approach to teaching history and social studies supports thematic instruction culturally responsive teaching place based education and literacy in the elementary middle or secondary classrooms **The Holistic Curriculum, Third Edition** John P.
