Media and Criminal Justice Dennis Stevens, 2011-04-19 The media and the CSI craze Motion pictures popular television dramas news reports Wars on crime and junkies Wars on sex offenders and poverty Terrorism and the war on immigrants Crime scene investigations forensics and junk science Prosecutors Wrongful convictions The death penalty Methodology and findings Recommendations to reduce wrongful convictions and eliminate capital punishment **Debates on U.S. Immigration** Judith Gans, Elaine M. Replogle, Daniel J. Tichenor, 2012-08-17 This issues based reference work available in both print and electronic formats shines a spotlight on immigration policy in the United States The U S is a nation of immigrants Yet while the lofty words enshrined with the Statue of Liberty stand as a source of national pride the rhetoric and politics surrounding immigration policy all too often have proven far less lofty In reality the apparently open invitation of Lady Liberty seldom has been without restriction Throughout our history impassioned debates about the appropriate scope and nature of such restriction have emerged and mushroomed among politicians among scholars of public policy among the general public In light of the need to keep students researchers and other interested readers informed and up to date on status of U S immigration policy this volume uses introductory essays followed by point counterpoint articles to explore prominent and perennially important debates providing readers with views on multiple sides of this complex issue While there are some brief works looking at debates on immigration as well as some general A to Z encyclopedias we offer more in depth coverage of a much wider range of themes and issues thus providing the only fully comprehensive point counterpoint handbook tackling the issues that political science history and sociology majors are asked to explore and to write about as students and that they will grapple with later as policy makers and citizens Features Benefits The volume is divided into three sections each with its own Section Editor Labor Economic Debates Judith Gans Social Cultural Debates Judith Gans and Political Legal Debates Daniel Tichenor Sections open with a Preface by the Section Editor to introduce the broad theme at hand and provide historical underpinnings Each section holds 12 chapters addressing varied aspects of the broad theme of the section Chapters open with an objective lead in piece or headnote followed by a point article and a counterpoint article All pieces headnote point article counterpoint article are signed For each chapter students are referred to further readings data sources and other resources as a jumping off spot for further research and more in depth exploration Finally volume concludes with a comprehensive index and the electronic version includes search and browse features as well as the ability to link to further readings cited within chapters should they be available to the library in electronic format

Undocumented Immigrants in the United States Anna Ochoa O'Leary, 2014-02-25 This two volume reference work addresses the dynamic lives of undocumented immigrants in the United States and establishes these individuals experiences as a key part of our nation s demographic and sociological evolution This two volume work supplies accessible and comprehensive coverage of this complex subject by consolidating the insights of hundreds of scholars who have studied the

issues of undocumented immigration in the United States for years It provides a historical perspective that underscores the exponential growth of the undocumented population in the last three decades and presents a more nuanced more detailed and therefore more accurate portrait of undocumented immigrants than is available in general media Also included are recommended resources that will serve researchers seeking more information on topics regarding undocumented immigrants

The Misuse, Misrepresentation, and Politicization of Statistics in American Society Robert E. Parker, 2022-07-18 The Misuse Misrepresentation and Politicization of Statistics in American Society critically examines the early measurement efforts of several government agencies responsible for some of the most widely watched social indicators on unemployment life expectancy crime and population It argues that official statistics are dubious at best better seen not so much as objective barometers of social life but rather as socially constructed metrics that are easily manipulated and often politicized This book argues that official statistics powerfully frame social reality ultimately helping to determine who counts and what matters in society It makes the case that as with other types of official accounts data derived from government sources needs to be regarded skeptically and systematically investigated This book concludes that official statistics are a kind of sanctioned cover up of everyday reality hiding the true extent of joblessness distorting the real increase in life expectancy obscuring where crime actually happens and understating the undeniable growth of minority populations

Latino Mass Mobilization Chris Zepeda-Millán, 2017-09-25 In the spring of 2006 millions of Latinos across the country participated in the largest civil rights demonstrations in American history In this timely and highly anticipated book Chris Zepeda Mill n analyzes the background course and impacts of this unprecedented wave of protests highlighting their unique local national and demographic dynamics He finds that because of the particular ways the issue of immigrant illegality was racialized federally proposed anti immigrant legislation H R 4437 helped transform Latinos sense of latent group membership into the racial group consciousness that incited their engagement in large scale collective action Zepeda Mill n shows how nativist policy threats against disenfranchised undocumented immigrants can provoke a political backlash on the streets and at the ballot box from not only people without papers but also naturalized and US born citizens Latino Mass Mobilization is an important intervention into contemporary debates regarding immigration policy social movements and racial politics in the United States

Olivas, 2013-07-31 Exposes the false narratives at the heart of Americans fear of Latino immigration The election of Barack Obama prompted people around the world to herald the dawning of a new postracial era in America Yet a scant one month after Obama's election Jose Oswaldo Sucuzhanay a 31 year old Ecuadorian immigrant was ambushed by a group of white men as he walked arm and arm with his brother Yelling anti Latino slurs the men beat Sucuzhanay into a coma He died 5 days later The incident is one of countless attacks ranging from physical violence to raids on homes and workplaces to verbal abuse that Latino immigrants have confronted for generations in America And these attacks physical and otherwise are accepted by a substantial number of American citizens and elected officials who are virulently opposed to immigrant groups crossing the Mexican border Quick to cast all Latino immigrants as illegal opponents have placed undocumented workers at the center of their anti immigrant movement and as such many different types of native Spanish speakers in this country legal illegal citizen guest have been targeted as being responsible for increasing crime rates a plummeting economy and an erosion of traditional American values and culture In *Those Damned Immigrants* Ediberto Román takes on critics of Latino immigration drawing on empirical evidence to refute charges of links between immigration and crime economic downfall and a weakening of Anglo culture Román utilizes government statistics economic data historical records and social science research to provide a counter narrative to what he argues is a largely one sided public discourse on Latino immigration

Community as the Material Basis of Citizenship Rodolfo Rosales, 2017-11-01 Community as the Material Basis of Citizenship addresses community as the site of participation production and rights of citizens and brings to bear a profound critique of a collective process that has historically excluded working class communities and communities of color from any real governance The argument is that the status of citizenship has been influenced by a society that emphasizes the role of property in defining legitimacy and power and therefore idealizes and institutionalizes citizenship from an individualistic

perspective This system puts the onus on the individual citizen to participate in their governance while the political reality is that organizations and corporations and their interests have great power to influence and govern The chapters present an exciting departure from the long standing traditions of the social basis of citizenship In Community as the Material Basis of Citizenship Rodolfo Rosales and his contributors argue that citizenship is a communally embedded and or socially constituted phenomenon Hence the unfinished story of American Democracy is not in the equalization of communities but rather in their ability to participate in their own governance in their empowerment

Appropriations for 2006 United States. Congress. House. Committee on Appropriations. Subcommittee on Interior, Environment, and Related Agencies,2005 The Matthew Shepard Hate Crimes Prevention Act of 2009 United States. Congress. Senate. Committee on the Judiciary,2010 U.S. Latinos and Criminal Injustice Lupe S. Salinas,2015-07-01

Latinos in the United States encompass a broad range of racial socioeconomic and sociopolitical identities Originating from the Caribbean Spain Central and South America and Mexico they have unique justice concerns The ethnic group includes U S citizens authorized resident aliens and undocumented aliens a group that has been a constant partner in the Latino legal landscape for over a century This book addresses the development and rapid growth of the Latino population in the United States and how race based discrimination hate crimes and other prejudicial attitudes some of which have been codified via public policy have grown in response Salinas explores the degrading practice of racial profiling an approach used by both federal and state law enforcement agents the abuse in immigration enforcement and the use of deadly force against immigrants The author also discusses the barriers Latinos encounter as they wend their way through the court system While all minorities face the barrier of racially based jury strikes bilingual Latinos deal with additional concerns since limited English proficient defendants depend on interpreters to understand the trial process As a nation rich in ethnic and racial backgrounds the United States Salinas argues should better strive to serve its principles of justice

Eliminationists

David Neiwert,2016-01-20 The Eliminationists describes the malignant influence of right wing hate talk on the American conservative movement Tracing much of this vitriol to the dank corners of the para fascist right award winning reporter David Neiwert documents persistent ideas and rhetoric that champion the elimination of opposition groups As a result of this hateful discourse Neiwert argues the broader conservative movement has metastasized into something not truly conservative but decidedly right wing and potentially dangerous By tapping into the eliminationism latent in the American psyche the mainstream conservative movement has emboldened groups that have inhabited the fringes of the far right for decades With the Obama victory their voices may once again raise the specter of deadly domestic terrorism that characterized the far Right in the 1990s How well Americans face this challenge will depend on how strongly we repudiate the politics of hate and repair the damage it has wrought

The Death and Life of Aida Hernandez Aaron Bobrow-Strain,2024-05-01 The award winning biography of an undocumented teen mother s struggle with US immigration A rich novelistic and illuminating work

of literature Michelle Goldberg The New York Times Book Review One of Esquire's 50 Best Biographies of All Time In 1987 Aida Hernandez was born in Agua Prieta Mexico At the time the nearby US border was little more than a worn down fence Eight years later Aida's mother took her and her siblings to live in Douglas Arizona By then the border had become one of the most heavily policed sites in America Undocumented Aida fought to make her way She learned English watched Friends and after having a baby at sixteen dreamed of teaching dance and moving with her son to New York City Instead Aida was separated from her son and deported to a Mexican city marked by violence The daughter of a rebel hero from the mountains of Chihuahua Aida embarked on a harrowing journey to reunite with her son But returning to the United States was just the beginning of her quest Taking us into detention centers immigration courts and the inner lives of Aida and other daring characters The Death and Life of Aida Hernandez reveals the human consequences of militarizing what was once a more forgiving border Author Aaron Bobrow Strain brings us into the heart of a violently unequal America showing that the people caught in today's immigration wars are flawed complex humans who deserve justice and empathy Winner of the 2020 Pacific Northwest Book Award Winner of the 2020 Washington State Book Award Named a 2019 Southwest Book of the Year
