Lovernios Heather Hearn,2014-11-05 In 1984 a 2000 year old perfectly preserved body was discovered in a peatbog near Manchester He became known as the Lindow Man Extensive testing revealed much about his life but also gave rise to many questions and assumptions about who he was how he lived and how he died In Lovernios the author has given the Lindow Man a life a purpose and role to play in the history of the United Kingdom during the Romano British period of invasions wars and tribalism The story brings these very distant times to life seamlessly mingling historic facts with dramatic fiction Researched over a period of a year the book is packed full of historic cultural and religious facts of the time It charts the life of Lovernios born a noble in the year 30 AD through his early childhood his life as a Druid the Roman invasions and ultimately his death as a supreme sacrifice in 61 AD It is a compelling story that leaves the reader in no doubt about man s primal survival instinct and at the same time his ability to accept death as part of the journey Difficult to put down hard to swallow in parts this is a book that will not leave the reader untouched
