IRISH INDEPENDENT Masterfully and glamorously told SUNDAY BUSINESS POST Fans of Downton Abbey will adore this SUNDAY TIMES *Foreign Devil Girl in Hong Kong* Ruth Epp,2012-10-01 Early in 1959 Ruth left her home on the South Dakota prairies and traveled by cargo ship to Hong Kong on the south coast of China She was answering a call from God The ships officers smiled in amusement and asked What do you think a twenty two year old girl like you can do in Hong Kong She thought she knew until she found herself a foreign devil girl surrounded by poor working class people whose language culture and life experiences were totally foreign to her God was her only confidante and friend as she struggled to learn how to fulfill her mission Cantonese is one of the most difficult Chinese dialects to learn and her teacher didn't know a word of English Her attempts to speak sometimes provoked outbursts of hilarious laughter Such experiences showed her some surprising things about herself and increased her determination to learn to speak Cantonese perfectly Unexpectedly challenging questions were raised about the God she introduced and she was hard pressed to find convincing answers But God blessed her efforts to bring people to him and helped her as she took time to re evaluate her own faith The author tells her story honestly just as she did long ago in her journal when she recorded the lessons she learned through the successes and failures joys and sorrows of her first four and a half years in Hong Kong Her writing gives us an inspiring view of a real God at work in the life of a real person A Girl in Three Parts Suzanne Daniel,2020-04-14 A story of sisterhood solidarity and finding your place in a changing world A GIRL IN THREE PARTS is an unforgettable coming of age story set against the backdrop of the women's rights movement Allegra Elsom is caught in the middle Some days she's eleven and others she feels closer to nineteen Some days she knows too much and others she feels hopelessly naive Some days she is split in three torn between conflicting loyalties to her grandmothers Matilde and Joy and her father Rick none of whom can stand to be in a room together since the decades old tragedy that hit their family like a wrecking ball Allegra struggles to make peace in her family and navigate the social gauntlet at school while asking bigger questions about her place in the world What does it mean to be liberated What is it about becoming a woman that earns her a slap in the face What does it mean to do the right thing when everyone around her defines it differently As the feminist movement reshapes her Sydney suburb Allegra makes her own path discovering firsthand the incredible ways that women can support each other and finding strength within herself to stand up to the people she loves Readers will not soon forget Suzanne Daniel's poignant debut or the spirit of sisterhood that sings out from its pages The Adventures of an Ugly Girl George Mrs. Corbett,2022-09-04 In *The Adventures of an Ugly Girl* George Mrs Corbett masterfully explores the societal perceptions of beauty and the strength of character through the journey of a young woman deemed unattractive by conventional standards The narrative delves into themes of resilience self acceptance and the redefinition of beauty weaving them into a poignant yet subtly humorous tapestry that holds a mirror to the era's social mores This DigiCat Publishing special edition revitalizes Corbett's work emphasizing its place in the canon of reflective social commentaries with a literary style that combines wit with an earnest narrative voice lending it a timeless quality and a sense

of literary context that transcends the period in which it was first penned George Mrs Corbett a literary figure overshadowed by contemporary giants nonetheless offers a compelling voice that draws upon personal cognizance of social undercurrents and constraints faced by women Corbett s influence by Victorian societal constructs and the burgeoning movement for women s rights during the time likely informed the creation of this novel reflecting a deep understanding of the human condition and a keen empathy for the plight of those marginalized by superficial standards This edition is an essential recommendation for readers who cherish not just the evolution of female protagonists in literature but also for those who appreciate novels that provoke reflection on personal and societal values The Adventures of an Ugly Girl is poised to engage challenge and hearten its audience beckoning them to look beyond the book s title to uncover the beauty that resides in its pages both literally and metaphorically Corbett offers not just a story but a conversation that remains as relevant today as when it was first conceived
