El-Hi Textbooks in Print ,1981 **Forthcoming Books** Rose Arny,2003 **Freedom Is a Place** Ron J. Smith,2020-08-01 Freedom Is a Place gives readers a snapshot of everyday life in the 1967 oPt occupied Palestinian territories A project of subaltern geopolitics it helps both new and seasoned scholars of the region better understand occupation its purpose varied manifestations and on the ground functions This personal study brings to light how large scale geopolitics play havoc with the lives of ordinary people and how people resist and endure Using data collected over a decade of fieldwork Ron J Smith situates the everyday realities of the occupation within the larger project of Zionism He explores the attempts to codify a temporary condition like occupation into permanency Smith insists that occupation be understood as a changing process not a singular event and to explain its longevity he argues that we must uncover the particular geographical and political dynamism at hand Through careful use of interviews and participant observation Smith reveals how the varied practices of occupation transform daily life into a prison He also helps bring to light everyday narratives illustrating how people mobilize claims to freedom and sovereignty to maintain life under occupation Freedom Is a Place
