Q2. How does Source A reflect Nazi Ideology about the role of women? (3marks)

Source A

Sample Answer: Source A clearly demonstrates a range of ways Nazi ideology about the role of women. The Nazis believed that women should return to more traditional roles, which were underpinned in propaganda such as the photograph in Source A. It shows a woman ironing her husband's military uniform, which clearly demonstrates the ideology that women should be primarily domestic, supporting their husbands as they served the Fatherland. It also shows her many children which she bears to fulfil the Nazi ideal of women as mothers. Her children also fulfil many racial ideals.
