Die Kunst der Einfalt Nicolas Detering, 2024-07-24 Kaum etwas hat die Aufklärung so spirituell bekräftigt wie den christlichen Mysterienkult und die mittelalterliche Heiligenlegende. Trotzdem verschwinden Figur und Gattung in der Moderne nicht sondern kehren auf Umwegen in die Literatur zurück. Sie inspirieren eine Kunst der heiligen Einfalt, von der die bürgerliche Gesellschaft sich in ihrem literarischen geschichtspolitischen konfessionellen und sexuellen Selbstverständnis provozieren lässt. Das Buch von Nicolas Detering erzählt die Geschichte einer Wiederentdeckung und berichtet von den Konflikten und Sehnsüchten, die sie im 19. Jahrhundert schürt und weckt.

The Oxford Duden German Dictionary Werner Scholze-Stubenrecht, John Bradbury Sykes, Oxford University Press. Dictionary Department. German Section, 1990. The result of a unique ten year collaboration between two of the world's foremost dictionary publishers Oxford University Press and Dudenverlag. The Oxford Duden German Dictionary offers the most comprehensive, accurate and up to date coverage available of the general vocabulary of contemporary German and English. The two teams worked simultaneously, each living in their own country in daily contact with other native speakers and in direct touch with changes in their own language with regular joint sessions in Mannheim and Oxford to guarantee a balanced and completely consistent treatment. This sharing of expertise has resulted in a new kind of dictionary, one that is truly bilingual not only in its language but in all the details of its conception and realization, a dictionary that meets the needs of both English and German speakers in the 1990s whether they wish to write or speak the foreign language or to translate from it. Here is a state of the art reference work with all the features you would expect from an Oxford Dictionary. It is authoritative. Based on the language data bases of two of the world's foremost dictionary makers and written by two expert teams of native speakers. Comprehensive. Offers the broadest possible coverage of modern English and German plus regional variations from Germany, Austria and Switzerland for German Britain, Australia and the United States for English. Up to date. Compiled by native speakers in intimate contact with changes in their language, this lexicon is right up to the minute with entries for such recent coinages as acid rain, AIDS, compact disc and cable television. Easy to use. Entries are composed according to what will be most helpful to native speakers; there are many cross references to help locate words that could appear in more than one place and idiomatic expressions are clearly explained even when they appear deep within a definition. Drawing on unparalleled resources, this outstanding dictionary will be the first choice of students, teachers and translators as well as anyone else wanting a clear and authoritative English-German dictionary.
