January June Foundations of Method for Secondary Schools I. N. Thut, Joseph Raymond Gerberich, 1949 The balance
between the emphases on method and content is not everywhere the same and varies from system to system from school to
school from classroom to classroom This text has been developed over a period of years in response to a need for a new
perspective on educational method Under the influence of the curriculum movement the purposes of the school and the
objectives of teaching have undergone serious revision New content has been introduced to supplement rather than replace
the old and a variety of methods are called for and teaching procedures must be adapted to the sought goals This text seeks
to provide the needed perspective and to bring a closer coordination between method and content Journal of the National
