Relationship to Academic Development Programs and Transferability:

MATH 092 is designed to enhance students' academic performance for other college courses for which they are currently under-prepared, as indicated by their performance on HCC's math placement exam. Credit earned from successful completion of this course (or other developmental courses) is not calculated into students' HCC GPA and will not apply toward degree or certificate requirements, nor will it transfer to other colleges or universities. However, some institutions calculate admissions GPA using grades from all courses, including developmental courses.
