The M Club Manual Kathryn Sultzbach, 2004 This is a public announcement to inform America of a new, not to be ignored women's club. Well, not really a new club because it has been around for as long as women have been taking care of business families and of course each other. The M Club is the ultimate how-to manual for any mature woman who is plain, sick, and tired of going unrecognized and being mistreated or simply for those who want to revel in their M-ness. We are sick and tired, mostly tired of things in general going to hell in a handbasket. We are intelligent, savvy women who know right from wrong. Sometimes we have to come over there to help another member. Often we go over there in a big group so we can make an impression. We help other M Club members because we want to and we are able. Next time and there will be a next time any woman is feeling overlooked or harangued, she can appeal to her sister members of the M Club to shift perspectives, take the reins, and we'll take care of business. Women will love to give this incredibly funny and frank manual as a present or even keep it around the home or office for their own reference and fun. **The Federation Guide and Market News of the National Cheese Producers' Federation**, 1924 [Country Guide](#), 1928 [Index of Specifications and Standards](#), 1988
