## **Frommers Cruise Guide:**

Frommer's European Cruises & Ports of Call Fran Wenograd Golden, 2002-04-15 A cruise is a complete vacation so it's important that you choose the one that's right for you. Frommer's European Cruises Ports of Call is the most user friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on Europe in this guide so we can bring you much more in depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Frommer's European Cruises Ports of Call covers 31 American and European cruise lines and 82 ships with full details on itineraries, rates, cabins, crews, cuisine, activities and entertainment, children's programs, pools and spas, fitness facilities, passenger profiles and more. There's complete coverage of 45 European ports of call from the Mediterranean to northern Europe to the British Isles, discussing attractions close to the port, the best excursions both organized and on your own, and the best shopping buys. You'll also get valuable tips on booking your cruise at the best price and getting a good deal on air travel to and from Europe.

**Frommer's Caribbean Cruises and Ports of Call 2001** Heidi Sarna, 2001-05-15 A cruise is a complete vacation so it's important that you choose the one that's right for you. Frommer's Caribbean Cruises is the most user friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value, and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven night cruise aboard Celebrity's Mercury costs 1,795. You can pay that if you want to, but only Frommer's tells you that the same cruise is selling for 895. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes Frommer's Caribbean Cruises by far the most valuable trip planning book among cruise guides. Our author, a noted cruise expert who has personally checked out every ship sailing the Caribbean, offers candid and unbiased opinions on them all. She's completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 34 Caribbean port destinations with advice on how to spend your limited time ashore.
