

Calling from call history

If there is no response when a call is received, the incoming call history is retained as missed calls.

If there are missed calls, the edges of the [HISTORY] button light up in blue.

The edges of the button do not light up in blue if another station answered.

Place a call from the history if the call was not from a Entrance Station or Door Stations.

1. Tap [HISTORY] on the Home Screen.

2. Tap .

- The Missed Calls screen is displayed.

3. Tap the  icon to place a call.

4. Speak when the other party answers.

- Refer to [Buttons \(—page 11\)](#) for the operations available during a call.

5. Tap  to end communication.

Note

- The call timeout may differ depending on the settings.
- If a page with a higher priority is received from another station while making an outgoing call or during communication, the outgoing call or call will be interrupted and the station will switch to the page.
- If the call continues for approximately three minutes, the communication will automatically end. A notification sound will play approximately 10 seconds before ending.
- The call duration cannot be extended on the station. If the communication is extended on the destination station, the call duration will be extended by approximately 10 minutes.
- The call priority is "Normal."
