*Medicare Secondary Payer Compliance: The Liability Case - Second Edition* Roy A. Franco, Jeffrey J. Signor, 2012-12-01  
This book is a guide and commentary for anyone involved in a liability case where the Medicare Secondary Payer Act comes into play. This book is designed to serve as a resource guide for anyone interested in learning where the potential pitfalls of the Act lay. The authors, highly versed in the complexities and nuances associated with the Act, provide commentary and analysis based on the law as it is presently known and suggest approaches to consider when attempting to finalize the liability case. The new requirements of the Act will not be easily absorbed by the liability industry. Practices developed over decades will need to change. Extra vigilance is necessary to avoid legal liability. This book provides much needed guidance to assist the practitioner in this regard. Provided by publisher.
