manufacturable product Neither the design nor the process of manufacturing is perfect As a result the product will be faulty will require testing and fixing Where does economics enter this scenario Consider the cost of testing and fixing the product If a manufactured product is grossly faulty or too many of the products are faulty the cost of testing and fixing will be high Suppose we do not like that We then ask what is the cause of the faulty product There must be something wrong in the manufacturing process We trace this cause and fix it Suppose we fix all possible causes and have no defective products We would have eliminated the need for testing Unfortunately things are not so perfect There is a cost involved with finding and eliminating the causes of faults We thus have two costs the cost of testing and fixing we will call it cost 1 and the cost of finding and eliminating causes of faults call it cost 2 Both costs in some way are included in the overall cost of the product If we try to eliminate cost 1 cost 2 goes up and vice versa An economic system of production will minimize the overall cost of the product Economics of Electronic Design Manufacture and Test is a collection of research contributions derived from the Second Workshop on Economics of Design Manufacture and Test written for inclusion in this book **Score-well ICSE Model Test Papers Chemistry Class 10** Amar Nath Bhutani,2025-08-27 The Score Well ICSE Model Test Papers for Class 10 Chemistry offers a complete exam preparation package through carefully designed specimen style test papers Covering all units Periodic Table Bonding Electrolysis Acids Bases Salts Organic Chemistry Metallurgy and Numerical Problems the papers help students master both theory and application Each set comes with detailed solutions examiner guidelines and step by step numerical solving methods enabling students to avoid errors and strengthen accuracy Regular practice of these model tests develops speed confidence and problem solving skills making this book a must have for securing top grades in ICSE Chemistry **ISC Biology Book-II For Class-XII** Dr. P.S.
