

Environmental Science
Section 1.1 Worksheet
ANSWERS

Name: _____ Date: _____

1.1 Our Island, Earth

Our Environment

1. List three examples of nonliving things in the environment.

Sample answer: oceans, buildings, mountains

2. Give two reasons why environmental science is important.

Sample answer: Environmental science reminds us that we are part of the natural world and that our interactions with that world matter, and it is the first step toward solving environmental problems.

3. Name four of the disciplines that contribute to the study of our interactions with the environment.

Sample answer: Ecology, biology, economics, political science

3. What is the difference between environmental science and environmentalism?

Sample answer: Environmental science is what we know about the workings of the environment; environmentalism is a social movement dedicated to protecting the natural world from the negative effects of human actions

Population Up, Resources Down

For Questions 5–10, write True if the statement is true. If the statement is false, replace the underlined word to make the statement true. Write your changes on the line.

varied _____ 5. Nature makes natural resources at similar speeds.

True _____ 6. Fruit is an example of a renewable resource.

low _____ 7. For most of human history, population has been high and relatively stable.

nonrenewable _____ 8. The Industrial Revolution marked a shift from a rural society to an urban society powered by renewable resources.

True _____ 9. Our ecological footprint is affected by the number of people on Earth and how much we consume.

True _____ 10. The tragedy of the commons refers to the overuse of unregulated resources.

Earth Science Regents Vocabulary Workbook Lewis Morris, Learn the Secret to Success on the Earth Science Regents Exam Ever wonder why learning comes so easily to some people This remarkable workbook reveals a system that shows you how to learn faster easier and without frustration By mastering the hidden language of the subject and exams you will be poised to tackle the toughest of questions with ease We ve discovered that the key to success on the Earth Science Regents Exam lies with mastering the Insider s Language of the subject People who score high on their exams have a strong working vocabulary in the subject tested They know how to decode the vocabulary of the subject and use this as a model for test success People with a strong Insider s Language consistently Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The Earth Science Regents Exam Vocabulary Workbook is different from traditional review books because it focuses on the exam s Insider s Language It is an outstanding supplement to a traditional review program It helps your preparation for the exam become easier and more efficient The strategies puzzles and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long term memory The Earth Science Regents Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider s Language before you even begin your review Learn the Secret to Success After nearly 20 years of teaching Lewis Morris discovered a startling fact Most students didn t struggle with the subject they struggled with the language It

was never about brains or ability His students simply didn't have the knowledge of the specific language needed to succeed Through experimentation and research he discovered that for any subject there was a list of essential words that when mastered unlocked a student's ability to progress in the subject Lewis called this set of vocabulary the Insider's Words When he applied these Insider's Words the results were incredible His students began to learn with ease He was on his way to developing the landmark series of workbooks and applications to teach this Insider's Language to students around the world
