- **Economic Problems** (people are starving, famine, heavy taxes)
- **The Estate System** (inequality of social classes 3rd estate 98% of population, paying all taxes)

***Inspired by Enlightenment ideas & the American Revolution.*

Napoléon Bonaparte leads a coup d'état to overthrow the new republic, ended the French Revolution. He becomes military dictator (like Cromwell), but people like him even though he is an absolute ruler because he brings an END to the chaos of the French Revolution. **PLUS** he did several good things like: freedom of religion, expanded education (public schools), built churches, improved tax system, established the Napoleonic Code (equality for all citizens under the law). He also fought wars with most of Europe, lost when tried to take Russia. Finally defeated and was exiled.

The A to Z of the French Revolution Paul R. Hanson, 2007-02-23 The French Revolution remains the most examined event and period in world history Most historians would argue that it was the first modern revolution an event so momentous that it changed the very meaning of the word revolution to its current connotation of a political and or social upheaval that marks a decisive break with the past moving the society in a forward or progressive direction No revolution has occurred since 1789 without making reference to this first revolution and most have been measured against it When revolution shook the foundations of the Old Regime in France shock waves reverberated throughout the western world The A to Z of the French Revolution examines the causes and origins the roles of significant persons crucial events and turning points important institutions and organizations and the economic social and intellectual factors involved in the event that gave birth to the Declaration of the Rights of Man and Citizen the introduction of universal manhood suffrage and the Napoleonic Empire An introductory essay chronology and comprehensive bibliography complement the more than 400 cross referenced dictionary entries making this a great resource for students and history enthusiasts alike
