**Coqueville (The Coqueville Spree)** Emile Zola, 2015-02-22 Zola has rarely displayed the quality of humour but it is present in the story called The Fete at Coqueville La Fete a Coqueville Coqueville is the name given to a very remote Norman fishing village set in a gorge of rocks and almost inaccessible except from the sea Here a sturdy population of some hundred and eighty souls all sprung from two rival families live in the condition of a tiny Verona torn between contending interests A ship laden with liqueurs is wrecked on the rocks outside and one precious cask after another comes riding into Coqueville over the breakers The villagers spend a glorious week of perfumed inebriety A very amusingly and very picturesquely told story With an essay by Edmund Gosse about The Short Stories of Zola

**German Realists in the Nineteenth Century** Georg Lukács, 2000-07-24 Georg Lukács was one of the most controversial Marxist philosophers of this century In this book however he appears in another guise as a literary historian in the tradition of Sainte Beuve and Belinsky offering an advanced introduction to one of the richest periods of European literature These previously untranslated essays on Heinrich von Kleist Joseph Eichendorff Georg Büchner Heinrich Heine Gottfried Keller Wilhelm Raabe and Theodor Fontane were written between 1936 and 1950 They illuminate Lukács's enduring love of German literature and his faith in the humanist tradition In all of them moreover he can be seen actively intervening in the cultural debates of the time on the role of literature on the literary tradition in society and on the relationship between literature and politics Although his defense of realism against the crudities of socialist realism is implicit throughout these essays Lukács's main purpose was to illuminate the intellectual historical and literary context in which these great writers worked to attain a fuller understanding of what they wrote and also to settle accounts with contemporary German critics who were attempting to create a fascist pantheon
