new government initially sought to establish a positive relationship with Saudi Arabia and to pursue a course independent from Iran But isolated and rejected by Saudi King Abdullah Iraq ultimately had nowhere else to turn **War Report** Trevor Royle,2012-01-27 Whenever man has gone to war in modern times there has been no shortage of men and women to write about his exploits They were known as war correspondents a type of journalists whom General Wolseley called the newly invented curse to armies This study of the war correspondent s view of war traces the story from Russell s pioneering work for The Times in the Crimea to the assorted press radio and television journalists who accompanied the British task force to the Falklands in 1982 In particular it investigates the lives and careers of six of the greatest war correspondents of all time G W Steevens who accompanied Kitchener to the Sudan and who introduced the colour story to war reporting Edgar Wallace the future thriller writer who scooped the rest of the world at the end of the Boer War Charles Court Repington the military correspondent who exposed the scandal of the shortage of shells in 1915 Claud Cockburn a communist who adopted a self confessed partisan approach during the Spanish Civil War Chester Wilmot perhaps the greatest of radio war correspondents who brought the Second World War into the living rooms of Britain James Cameron a pacifist who uncovered stories of atrocities in Korea and who demanded to be published and damned There also includes a discussion on the problems of using television to cover modern war **War Reporting for Cowards** Chris Ayres,2006-06-07 The story of one of the most fascinating women of all time Maria Eva Duarte who rose from poverty to become one of the richest most powerful women in the world **Digital Media and Reporting Conflict** Daniel Bennett,2013-07-18 This book explores the impact of new forms of online reporting on the BBC s coverage of war and terrorism Informed by the views of over 100 BBC staff at all levels of the corporation Bennett captures journalists shifting attitudes towards blogs and internet sources used to cover wars and other conflicts He argues that the BBC s practices and values are fundamentally evolving in response to the challenges of immediate digital publication Ongoing challenges for journalism in the online media environment are identified maintaining impartiality in the face of calls for more open personal journalism ensuring accuracy when the power of the former audience allows news to break at speed and overcoming the limits of the scale of the BBC s news operation in order to meet the demands to present news as conversation While the focus of the book is on the BBC s coverage of war and terrorism the conclusions are more widely relevant to the evolving practice of journalism at traditional media organizations as they grapple with a revolution in publication **Investigation of Publication of Select Committee on Intelligence Report** United States.
