ACCA June 2010 Exam Tips

Whilst we're not examiners and don't get to see the exam papers in advance, our tutor team have put together some exam tips for the June 2010 exams. These are effectively the most examinable topics for each paper i.e. the areas that you must be fully comfortable with before the June 2010 exams.

Please note that these tips are based on our experience as a leading ACCA tuition provider. You should ensure you have a complete and solid knowledge of the entire syllabus in addition to the tips below. The majority of every exam is compulsory, so there is little value in trying to 'question spot' your way through an exam.
