Ford's full size production grew year after year peaking with 648 010 units produced in 1963. It was an all time best for the Galaxie line and its sister nameplates. Eight appearance and performance offerings were applied to the full size Ford line including the Fairlane Galaxie Ranch Wagon Country Sedan Country Squire Courier 300 and Custom which made each car unique. With more than 2.3 million full size Fords produced from 1960 to 1964 a restoration book for these cars has been desperately needed and here it is. Author Colin Kleer, president of Pennsylvania's Three Rivers chapter of the Galaxie Club, puts his decades of experience restoring these cars into this single volume. Featuring step by step procedures on body driveline chassis and interior components, Kleer shows with more than 400 photos and text how to restore a full size Ford to its former glory. Crucial projects such as rust repair and driveline maintenance help guarantee that your Ford will be sound and solid for years to come after the restoration. The Galaxie and its full size stablemates continue to be a strong force at car shows and in the marketplace they create an even deeper following for these cars. Adding a detailed restoration book to the full size restorers arsenal will surely aid in bringing more of these Fords back to life and back on the road.

Regardless of your automotive taste there is almost always a need for a shop truck to chase parts, use as a tow vehicle or use for household chores that require a trip to the farm and home store. Pickup trucks have always been popular but that is true now more than ever. Plus they hold their own as hot rods as well. Many vintage trucks can still be found in their original condition. Unlike years ago the automotive aftermarket has now realized the popularity of these trucks. Body repair and modifications including installing patch panels power windows rotary door latches and a stylish third brake light are next. Interior components including the latest creature comforts that provide safety and convenience are examined.
