Understanding Business Ecosystems

Soumaya Ben Letaifa,Anne Gratacap,Thierry Isckia,2013-09-25 Understanding Business Ecosystems How Firms Succeed in the New World of Convergence builds on strategic management and innovation management academic contributions to better understand theoretical and empirical challenges of business ecosystems Even if the concept of business ecosystem was coined in 1993 it will lie fallow during more than ten years before gaining scholars interest Managers will however recognize the relevance of this concept as it grasps the complexity of their business reality in terms of new collaborative and innovative strategies Thus the main purpose of this book is twofold On the one hand the objective is to identify the

epistemological and theoretical fundamentals of business ecosystems and on the other hand the purpose is to analyse the various managerial challenges This volume analyses in particular the issues of knowledge management coopetition strategies platforms governance etc Understanding Business Ecosystems How Firms Succeed in the New World of Convergence is finally a key reference book that innovates by integrating for the first time well known French speaking scholars contributions from the strategy and innovation management fields
