

## **Driving Skills Test Study Guide**

### **Purpose of This Study Guide**

As a new driver, you must pass the driving skills test before you are eligible to receive a Michigan driver's license from the Secretary of State office. This study guide will prepare you for the driving skills test you are required to take.

### **Driving Skills Test Administration**

In Michigan, all driver testing is mandated by state and federal laws. The Department of State administers driver knowledge (written) tests only through a branch office. Driving skills testing services are provided only through a privatized, testing program. This program utilizes a statewide network of public and private driver testing business authorized by the department to conduct the driving skills tests. The department is committed to assuring that driving tests (both written and skills) are given by qualified persons trained to administer the tests in a fair, honest, and reliable manner.

You should familiarize yourself with the procedures and requirements for your driving skills test. While the Driving Skills Test Study Guide provides some information about all driving tests, its primary focus is on the auto driving skills test. For more information on skills tests required for a motorcycle endorsement or a commercial driver license, obtain one of the following guides from a Secretary of State branch office or [Michigan.gov/SOS](http://Michigan.gov/SOS).
