

# EXAMINER'S CARD

## MMI STATION SCENARIO 3

- 1) Tell me about your communication skills.
- 2) Would you say communication is more important than academic/scientific ability or would you say it is more important?
- 3) Can you give me an example of when you've worked in a team, when you've been in a stressful situation and how you've managed that.
- 4) What is the importance of having the continuity of care, such as in GP practices?

### GOOD ANSWER

- Give very concise answers, and make sure that they weren't waffling
- Using the STARR template with sufficient examples
- Being reflective and considering what skills the interviewers are looking for.
- Linking back to medicine.

### BAD ANSWER

- Not respond directly to the question and waffling
- Sounding overly rehearsed and being unnatural in your response.
- Going straight into the question without thinking about what to say.
- Being generic and vague.

Interview  
Top Tip

Ensure you are concise in your answers. What can often happen is that candidates get carried away with one question, forgetting that a station consists of up to 4-5 questions.
