The Erotic True Story of Beauty and The Beast Cherie Wilde, 2025-02-19 Elle flushed with a feverish anticipation sprawled across the oak table With a carefree giggle she arched her back and the remains of their feast clattered to the stone floor It was a symphony of chaos each porcelain shard and silver utensil heralding the carnal rapture to come The beast towered above her his chest heaving with a hungry intensity that mirrored the wild thrum of her heart Impatience clawed at him an untamed creature desperate for release With a growl that resonated through the castle walls he tore at the fine fabric of his garments shredding it from his body as if it were mere parchment Buttons flew like glistening jewels his breeches succumbing to his fervent urgency and at last he stood revealed a portrait of raw virility and primal desire This is not the fairy tale you grew up with This is a story of sinful pleasures untamed passion and a castle filled with wicked temptations When Elle Rousseau sacrifices herself to the Beast to save her father she expects cold dungeons and lonely nights Instead she s thrust into a world of forbidden indulgence and dark aching desire The Beast is a brooding devastatingly powerful creature of raw masculinity dark desires and no mindless monster His presence commands submission his voice is a growl of temptation and his touch is enough to set Elle s body aflame But he s not the only distraction Elle faces His mischievous household staff including a dominating gardener a sultry maid and a well endowed butler ensure that life at the castle is never dull And when three raunchy fairies get involved things take an
