Orlando,2009-06-22 This study of Moroccan society explores the country s culture through its literature journalism and film It examines transitions from traditionalism to modernity within the conflicted polemics of the post 9 11 world Addresses issues including feminism sexuality gender and human rights and how they are conveyed in Moroccan media Crusoes and Other Castaways in Modern French Literature Joseph Acquisto,2012-08-31 Crusoes and Other Castaways in Modern French Literature Solitary Adventures by Joseph Acquisto examines the many ways in which the castaway particularly in the form of engagement with Robinson Crusoe has been reinterpreted and appropriated in nineteenth through twenty first century French literature The book is not merely a literary history of the robinsonnade in France rather Acquisto demonstrates how what he calls the genre of solitary adventure becomes a vehicle for exploration of much larger questions about the reception of texts modes of reading and the relationship between popular and serious literary traditions The heart of Crusoes and Other Castaways in Modern French Literature examines a crucial moment in the late nineteenth and early twentieth centuries when the history of cultural perspectives on reading and solitude intersect catalyzing a reconsideration of Defoe s tale Acquisto s philosophically inflected readings of works by writers from Rousseau to Balzac Verne to Gide Val ry to Tournier enhance intertextual and cultural approaches to the castaway myth and broaden our appreciation of the dynamic relation it has to modern French literature writ large *Fairy Tales Framed* Ruth B. Bottigheimer,2012-02-23 2012 CHOICE Outstanding Academic Title Most early fairy tale authors had a lot to say about what they wrote Charles Perrault explained his sources and recounted friends reactions His niece Marie Jeanne Lh ritier and her friend Marie Catherine d Aulnoy used dedications and commentaries to situate their tales socially and culturally while the raffish Henriette Julie de Murat accused them all of taking their plots from the Italian writer Giovan Francesco Straparola and admitted to borrowing from the Italians herself These reflections shed a bright light on both the tales and on their composition but in every case they were removed

soon after their first publication Remaining largely unknown their absence created empty space that later readers filled with their own views about the conditions of production and reception of the tales What their authors had to say about Puss in Boots Cinderella Sleeping Beauty and Rapunzel among many other fairy tales is collected here for the first time newly translated and accompanied by rich annotations Also included are revealing commentaries from the authors literary contemporaries As a whole these forewords afterwords and critical words directly address issues that inform the contemporary study of European fairy tales including traditional folkloristic concerns about fairy tale origins and performance as well as questions of literary aesthetics and historical context
