Production Methods and Workability of Concrete P.J.M. Bartos,D.J. Cleland,D.L. Marrs,2004-06-02 Practical production of ordinary and special high performance concretes and their behaviour and properties when fresh are the main themes of this book It derives from the International RILEM Conference held in Paisley Scotland in June 1996 and represents the culmination of the work of two RILEM Technical Committees 145 WSM Workability of Speci The Engineering Index ,1926 The Steam Engineer ,1948 **Precast Concrete** Maurice Levitt,2014-04-21 This general treatise on precast concrete reflects Maurice Levitt s extensive experience in the construction industry and as a researcher and consultant It gives detailed coverage of the subject from the material s properties through its manufacture and quality control and on to specialist topics such as accelerated curing and use in hot and cold *The London Archaeologist* ,1968 **Construction in Southern Africa** ,1980 **New Zealand Journal of Archaeology** ,1989 **Building Equipment News** ,1960 **The Engineering and Boiler House Review** ,1946 Popular Culture and Nationalism in Lebanon Christopher Stone,2007-09-12 Based on an award winning thesis this volume is a pioneering study of musical theatre and popular culture and its relation to the production of identity in Lebanon in the second half of the twentieth century In the aftermath of the departure of the French from Lebanon and the civil violence of 1958 the Rahbani brothers Asi and Mansour staged a series of folkloric musical theatrical extravaganzas at the annual Ba labakk festival which highlighted the talents of Asi s wife the Lebanese diva Fairouz arguably the most famous living Arab singer The inclusion of these folkloric vignettes into the festival s otherwise European dominated cultural agenda created a powerful nation building combination of what Partha Chatterjee calls the appropriation of the popular and the classicization of tradition The Rahbani project coincides with the confluence of increasing internal and external migration in Lebanon as well as with the rapid development of mass media technology of which the Ba labakk festival can be seen as an extension Employing theories of nationalism modernity globalism and locality this book shows that these factors combined to give the project a potent identity forming power Popular Culture and Nationalism in Lebanon is the first study of Fairouz and the Rahbani family in English and will appeal to students and researchers in the field of Middle East studies Popular culture and musical theatre **Concrete International** ,1979
