The Mother's Manual Audrye S. Arbe, 2019-08-05 Who am I and where do I come from? I feel it necessary to address all aspects of motherhood so I decided to include both the sweetness and delight plus the shadow side of motherhood in this book. Some challenging life situations occur that are vital for us to consider, so I am including some disquieting statistics. Because many women and men have refrained from checking within themselves or making an examination on emotional, mental, physical, and spiritual planes about having children, hardships have been created both personally and planetarily.

The Book of Gardens: A Lover's Manual for Planet Earth Philip W. Sarsons, 2013-06-28 I am breathless. This journey through The Book of Gardens touched me so deeply. Day after day I was bathed by the words. I was comforted and confronted. I was overwhelmed by curiosity and calm, urgent intellectual stimulation, and an emotional embrace. I am in awe of Phil's ability to lead me one step at a time as if he were holding my hand and pushing me at the same time. I am full to the brim, shaken up like love, at a standstill with gratitude. Maggie Merritt, Nevada, USA. The passion and beautifully crafted language unites the subjects of I Ching, meditation, economy, and ecology. I emerged with renewed excitement for meditation and a deepened understanding of the choices we face for humanity to survive on this world. Nicolas Albright Nelson, Canada. A practical manual for decision making. The Book of Gardens includes a summary of how to use the I Ching and learn Mindfulness Meditation. Amid the changes upon us all today, what direction will you take?

Martyr's Manual Wayne Brouwer,2019-05-28 Faith gets its most powerful definition from the New Testament book of Hebrews Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith s definition and its shrouded original context There are however sufficient clues in Hebrew s text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel the attractive moral character of first century Jews in Rome a crowd of disaffected righteous Romans and a purported Palestinian messiah converge to produce one of the world s most thoughtful courageous and brilliant calls to martyrdom In this careful pilgrimage along the author s meticulous development of a holy challenge to remain faithful to Jesus precisely because there are no meaningful alternatives Brouwer helps us find an inspiring and ever relevant call to faith we become the persons we are through the daily choices we make about Jesus and others
