Fading Shadows An Immigrant S Tale Of Life In America:

Fading Shadows Abettina Dell'Orfano Morano,2014-10-31 Based on the author s parents this is a novel about Italian immigrants who came to the United States to make a new life

Fading Shadows Abettina Dell'Orfano Morano,2014-10-31 The author would like to invite the reader to take a journey with her back in time I am writing this novel about my family who lived in the late 1800s My parents Michael and his wife Filomena DellOrfano were born 1878 and 1882 respectively Chusiano di San Domenico d Avellino is a small town in the Province of Avellino in the Region of Campania in Naples Italy Raffael and Camella DellOrfano lived there with their sons Massimeno and Michele The DellOrfano family and others in that area were identified as Bianco or whiteheads due to their fair skin blond and red haired During the day the boys went to school and afterward worked in the fields and learned the value of hard work at a young age Later Michele became interested in a young lady by the name of Filomena though his father disapproved After a longtime disagreement between father and son Michele decided to marry his long time girl friend Filomena and left the homestead where he was born and raised Later Michele made his way to America to build a new life for his family Creating a new identity is never easy They struggled but their love keeps them strong as they remember the old country and looked forward to their new land

Shadows of the Foreign Legion or An Immigrant's Tale Oleksandr Sambor,2025-04-30 This is my attempt to capture in digital form echoes of a time spent in the L gion trang re Imagine these not as precise historical records but as memories transformed into narrative a grandfather s tales perhaps spun years later for an audience of grandchildren Bear with me the chronology may wander and strict adherence to grammar might be flexible Specific Foreign Legion terms les mots de l bas will appear in their original French Names and ranks emerge only when their significance is unmistakable Others remain veiled either lost to time or protected by discretion Let me emphasize this is not intended as a recruitment tool My perspective is deeply personal often laced with criticism and irony Those with unwavering devotion to the military or the French Republic may find my viewpoint idiosyncratic These are the reflections of a former immigrant who served those five years pursuing French citizenship and whose experiences were inevitably shaped by individual perspectives expectations and beliefs The content is divided into parts related to my stay in certain regiments of the Foreign Legion 1 RE 4 RE 3 REI These parts are divided into specific chapters and then into more particular mini themes If you aim to inform yourself about something specific you can find it in a table of contents If the topic is irrelevant the reader can skip it and go to the content he is more interested in If all goes well the content presented here will be Part 1 mainly describing my first steps of emigration boot camp and my stay in French Guiana

Negotiating Identities Helen Grice,2002-10-11 *Negotiating Identities* is a study of the development of writing by Asian American women in the 20th century with particular emphasis on the successful late 20th century writers such as Maxine Hong Kingston Amy Tan Joy Kogawa Bharati Mukherjee and Gish Jen It relates the development of Asian writing by women in America with a comparative element incorporating Britain to a series of theoretical preoccupations the

mother daughter dyad biracialism ethnic histories citizenship genre and the idea of home Memory and Migration in the Shadow of War Joy Damousi, 2015-11-12 In an engaging and original contribution to the field of memory studies Joy Damousi considers the enduring impact of war on family memory in the Greek diaspora Focusing on Australia's Greek immigrants in the aftermath of the Second World War and the Greek Civil War the book explores the concept of remembrance within the larger context of migration to show how intergenerational experience of war and trauma transcend both place and nation Drawing from the most recent research in memory trauma and transnationalism Memory and Migration in the Shadow of War deals with the continuities and discontinuities of war stories assimilation in modern Australia politics and activism child migration and memories of mothers and children in war Damousi sheds new light on aspects of forgotten memory and silence within families and communities and in particular the ways in which past experience of violence and tragedy is both negotiated and processed **Finnish Settler Colonialism in North America** Rani-Henrik Andersson, Janne

Lahti, 2022-12-29 Finnish Settler Colonialism in North America reinterprets Finnish experiences in North America by connecting them to the transnational processes of settler colonial conquest far settlement elimination of natives and capture of terrestrial spaces Rather than merely exploring whether the idea of Finns as a different kind of immigrant is a myth this book challenges it in many ways It offers an analysis of the ways in which this myth manifests itself why it has been upheld to this day and most importantly how it contributes to settler colonialism in North America and beyond The authors in this volume apply multidisciplinary perspectives in revealing the various levels of Finnish involvement in settler colonialism In their chapters authors seek to understand the experiences and representations of Finns in North American spatial projects in territorial expansion and integration and visions of power They do so by analyzing how Finns reinvented their identities and acted as settlers participated in the production of settler colonial narratives as well as benefitted and took advantage of settler colonial structures Finnish Settler Colonialism in North America aims to challenge traditional histories of Finnish migration in which Finns have typically been viewed almost in isolation from the broader American context not to mention colonialism The book examines the diversity of roles experiences and narrations of and by Finns in the histories of North America by employing the settler colonial analytical framework *Congressional Record* United States. Into Abolitionist Theatre Rivka Eckert, 2024-03-29 Seeking to transform community based theatre making this book explores the transformative potential of abolitionist theatre as theatre artists and teachers collaborate with marginalized communities to challenge systems of oppression and inspire profound societal change Focusing on the idea of bringing people together to demand collective care and community led practice this collection works to define theatre's role in the goals of abolition Abolitionist theatre making is a theatre that is connected to the practice of decolonization intersectional feminism climate justice social justice and liberation struggles Exploring these ideas and offering a direct exploration of the questions that theatre artists and teachers should ask themselves when evaluating the abolitionist impact of their work the

volume provides accessible and practical tools for theatre makers with perspectives from working practitioners throughout. Through real life stories and experiences shared by theatre practitioners the book provides a rich and diverse tapestry of examples that highlight the ways in which community based theatre can contribute to transformational change. Readers will benefit from practical frameworks, thought provoking perspectives and thoughtfully crafted insights that inspire them to reimagine their own theatre practices and empower them to create theatre that challenges and dismantles oppressive systems while uplifting marginalized voices. Ideal for undergraduate and graduate students with an interest in utilizing theatre making for social change, this book offers new and practical insights into how the path to abolition might be laid and theatre's key role in it. This book will also be of great interest to theatre artists and activist practitioners who are involved in community based theatre projects with marginalized populations.

Spindrift Anita Hadley, Michael L. Hadley, 2017-08-05 an excellent anthology, a lovely project. Silver Donald Cameron. Given that Canada has the longest coastline in the world and its motto is From Sea unto Sea, it is not surprising that virtually every Canadian writer has been inspired to write about some aspect of the sea at some point in their work. As this book shows, those watery passages are some of the very best writing the nation has produced. Journeying coast to coast to coast from the picturesque and isolated Vancouver Island village of Ucluelet through the desolate Northwest Passage to historic Signal Hill at the tip of Newfoundland's Avalon Peninsula, Spindrift: A Canadian Book of the Sea invites the reader on an evocative voyage. Reflecting on a myriad of sea related themes including the earliest Indigenous presence, the first nautical exploration of Canada, the arrival of immigrants on the nation's shores, the realities of making a living on the water, tragic marine events, warfare and celebrated vessels and people, Spindrift paints a compelling portrait of Canada. Editors Michael and Anita Hadley have distilled the essence from a vast collection of maritime reflection by some of Canada's greatest fiction and non-fiction writers including Milton Acorn, Pierre Berton, Earle Birney, M. Wylie Blanchet, Emily Carr, Donald Creighton, Michael Crummey, Barry Gough, Lawrence Hill, Edith Iglauer, Joy Kogawa, Malcolm Lowry, Linden MacIntyre, Yann Martel, L. M. Montgomery, Donna Morrissey, Farley Mowat, Alice Munro, Peter C. Newman, E. J. Pratt, Al Purdy, Nino Ricci, Stan Rogers, Jane Urquhart and Rudy Wiebe, to name but a few. Whether yachtsman, professional seafarer or simply an admirer of ocean vistas, the reader will be moved and delighted by this treasury of Canadian voices. Please note that due to licensing concerns, selections in the ebook differ slightly from the print book.

From Hamas to America Mosab Hassan Yousef, James Becket, 2024-08-06 From Hamas to America is a gripping memoir that follows the son of Hamas founder Mosab Hassan as he breaks away from his culture's practice of terrorism to becoming a double agent for Israel, to finally fleeing to America and becoming a US citizen and ultimately finding peace. This is my opportunity to share my journey with others, to let go of both the traumas and the triumphs, to find freedom to proclaim my truth. Mosab Hassan Yousef has worn many labels: Hamas terrorist, Green Prince, spy, traitor, hero, Hollywood player, Muslim, Christian, yogi, stateless refugee, deportee, citizen. But all these labels have one thing in common: they serve someone else's

agenda Now for the first time the New York Times bestselling author of Son of Hamas tells the full truth of his story In it we see him growing up as the son of one of the founders of Hamas being imprisoned and tortured by the Israelis growing to hate the Hamas tactics of rape and violence working with the Israeli intelligence to expose suicide bombers and save lives seeking asylum in the US fighting with Homeland Security to avoid deportation rejecting Islam and converting to Christianity and making international headlines for it becoming a top speaker on Middle Eastern affairs and the Israeli Palestinian conflict working with Hollywood to tell his story and obtaining US citizenship and discovering the life saving discipline of yoga This is the inspiring story of someone who has been under threat of assassination or imprisonment for most of his life but who somehow finds the path to freedom and peace Few will walk in his shoes but everyone can follow his example and make their own journey to find redemption and peace The Best Possible Immigrants Rachel Rains Winslow,2017-05-02 Rachel Rains Winslow examines how the adoption of foreign children transformed from a marginal activity in response to episodic crises in the 1940s to an enduring American institution by the 1970s She provides the first historical examination of the people policies and systems that made the United States an enduring adoption nation Nagai Kafū's Occidentalism Rachael Hutchinson,2011-11-01 Nagai Kaf 1879 1959 spent more time abroad than any other writer of his generation firing the Japanese imagination with his visions of America and France Applying the theoretical framework of Occidentalism to Japanese literature Rachael Hutchinson explores Kaf s construction of the Western Other an integral part of his critique of Meiji civilization Through contrast with the Western Other Kaf was able to solve the dilemma that so plagued Japanese intellectuals how to modernize and yet retain an authentic Japanese identity in the modern world Kaf s flexible positioning of imagined spaces like the West and the Orient ultimately led him to a definition of the Japanese Self Hutchinson analyzes the wide range of Kaf s work particularly those novels and stories reflecting Kaf s time in the West and the return to Japan most unknown to Western readers and a number unavailable in English along with his better known depictions of Edo s demimonde Kaf s place in Japan s intellectual history and his influence on other writers are also discussed *Faded Destiny* F. R. Gorman,2022-04-19 Beginning in the turbulent times of Protestant ascendancy in Ireland and ending during the tragic years of slavery in America this fifty year saga tells the story of my great grandfather Joseph Thomas Gorman From the small Irish village of his birth to the streets of Cork to the great city of New York and beyond this compelling story takes you on a journey full of intriguing characters indelible dangers and human passions When young Joseph witnesses his father s death at the hands of English soldiers he sets out to get revenge against the despotic English who have overrun his beloved Ireland He believes that he has been ordained by God to deliver Ireland from the hands of the English invaders but a boyish rock throwing incident against the English soldiers goes awry and propels him into a lifelong struggle to find his destiny Orphaned and alone Joseph joins in with a small gang of street urchins and quickly learns how to survive in an uncaring world through panhandling and thievery A certain turn of events however finds him in a desperate situation aboard a small ship headed for

the Americas In the big city of New York he suffers disappointment and heartbreak when he dares to love someone above his station in life This dynamic story takes many twists and turns as he travels further west and chases new adventures across the plains of Ohio and beyond When the foul stench of slavery wafts across the land Joseph cannot ignore the call to arms and to where his destiny leads him **An Immigrant's Quest** Joseph De Prest,2013-08-12

An incredibly entertaining deeply moving memoir set in the mid fifties It is a story that will make you cry and laugh out loud It talks of a journey through this great country from coast to coast and gives voice to our most powerful emotions It is a story of a young man who struggles to find his way in this new land of long winters as his past impinges on the present bringing both hope and despair An unforgettable story of family and friendship of loves lost and won It is also a story that will resonate to many an immigrant from that time when there was little support for newcomers to this land of dreams and second chances It is a fast moving narrative with the innate ability to describe the true story of a forgotten past *Hebrew in America* Alan L. Mintz,1993

Among the millions of Jews who immigrated to America in the early twentieth century there were the few for whom Hebrew culture was an important ideal Reaching a critical mass around World War I these American Hebraists attempted to establish a vital Hebrew culture in America They founded journals and wrote Hebrew poetry fiction and essays largely about the American Jewish experience and they succeeded in putting a Hebraist stamp upon most of the Jewish education that took place between the two world wars Hebrew in America is the first book to fully explore the Jewish attachment to Hebrew in twentieth century North America Fifteen leading scholars in Judaic studies write about the legacy of American Hebraism and the claims it continues to make upon the soul of the American Jewish community While they might commonly lament the eclipse of Hebrew in America they speak with many different voices when it comes to the analysis of problems and the prospects for change Several writers look backward to the impact of the Hebrew movement in America on literature and education Others consider the implications of Hebrew s arrival on the college campus Another emphasis of the book is the relationship between language and culture in the case of Hebrew from anthropological educational and linguistic perspectives And finally several essays assess the role of Hebrew in the development of Jewish leadership in America as regards the relationship with the classic past and with contemporary Israel **The Argonaut** ,1920 America's

Forgotten Colonial History Dana Huntley,2019-08-21 This is what we all learned in school Pilgrims on the Mayflower landed at Plymouth Rock in 1620 They had a rough start but ultimately made a go of it made friends with the Indians and celebrated with a big Thanksgiving dinner Other uptight religious Puritans followed them and the whole place became New England There were some Dutch down in New York and sooner or later William Penn and the Quakers came to build the City of Brotherly Love in Pennsylvania and finally it was 1776 and time to revolt against King George III and become America That s it That s the narrative of American colonial history known to one and all Yet there are 150 years six or seven generations between Plymouth Plantation and the 1770s that are virtually unknown in our national consciousness and unaccounted for in

our American narrative Who what when where and why people were motivated to make a two month crossing on the North Atlantic to carve a life in a largely uncharted inhospitable wilderness How and why did they build the varied societies that they did here in the New World colonies How and why did we become America America s Forgotten Colonial History tells that story **Teaching Migration in Literature, Film, and Media** Masha Salazkina,Yumna Siddiqi,2025-06-14 People migrate to seek opportunities to unite with family and to escape war persecution poverty and environmental disasters A phenomenon that has real lived effects on individuals and communities migration also carries symbolic ideological significance Its depiction in literature film and other media powerfully shapes worldviews identities attitudes toward migrants and a political landscape that is both local and global It is imperative then to connect the disciplinary and theoretical tools we have for understanding migration and to put them in conversation with students experiences Featuring a wide range of classroom approaches this volume brings together topics that are often taught separately including tourism slavery drug cartels race whiteness settler colonialism the Arab Spring assimilation and disability Readers are introduced to terminology and legal frameworks and to theories of migration in relation to Black studies ethnic studies Asian American studies Latinx studies border studies postcolonial studies and Indigenous studies **Book Review Digest** ,1927
