Sonia's Legacy: The Lycan Squad Chronicles - Prologue Selena Stone, 2021-06-09 Sonia's Legacy The Lycan Squad Chronicles Prologue A Teen Female Lycanthrope Werewolf Romance Fantasy Book Series 1712 A family tree however long and with whatever ramifications would scarcely seem to need an introduction or a forward Its use and purpose must be clear to whoever reads its contents Yet there are events and details in this family tree that do call for some words of explanation and comment It's also not a genealogy at all unless the genealogist goes back further It's the story of the Sonia Lycan legacy stretching from the 18th to the 21st centuries from England to Barbados to North America but with an emphasis on North America and the birth of a country and particularly of those with a romantic past as revolutionaries and fighters for freedom and social justice The story began in 1712 on the island of Barbados It took another 292 years to bring her lineage to Degray Sonia was born in Barbados on the 17th of March 1696 her mother died during childbirth and from there she was raised by her grandmother While she did not know her father at the time she was born she did not have an uncommon amount of siblings to contend with There was an Uncle Muncie and two cousins named Bascombe and Julian the last of whom died before Sonia reached her 15th birthday She did not remember these people Her life changed radically when she was forced to join the local brothel as a virgin or whore at the time at the rate of six pounds a year This is the way many of the genteel and poorer inhabitants of the island lived It was there that her lineage began December 12 1712 2019 The Sonia bloodline will rule through the female not the male The firstborn of the union between James and Nancy is expected to be the most powerful female of pure blood in the Sonia line Her name will be Jamie Purity is rare within the Sonia bloodline which is why the ultimate union of James and Nancy is essential for the survival of the Sonia bloodline The union must be pure in every way and if Jamie fails in her birthright then the Sonia bloodline will fall perhaps for good That is why when Jamie was born James and Nancy left Degray The risk of jeopardizing Jamie's future is too great she could very well be the last pureblood descendant of the Sonia bloodline That is when the true battle for the Sonia bloodline begins Many humans will oppose her at every turn Some will hate her for being a Sonia bloodline Others will want to own her in hopes of finding a way to harness the powerful and alluring blood that flows in her veins It doesn't matter what human thinks or feels for Jamie She will be forced to defend herself and others from all human threats and forces Her destiny will be to protect and lead the Sonia bloodline into their highest and most powerful realms The Lycan Squad Chronicles follows Jamie Ramsay the only female Lycan at Degray High School through her junior year of high school as she faces the challenges and victories of romance cheerleading friendship and being the girlfriend of the starting quarterback Jamie and the Lycan Squad confront many social and family issues being faced by teens and young adults including dating sex bullying death family friendship prejudice racism self esteem physical emotional abuse violence peer pressure siblings depression class differences and new experiences

London in His Own Time Jeanne Reesman, 2020-12-15 Everyone knows Jack London for his tales of adventure in Alaska and the Canadian Yukon. With his work translated into more than 100 languages, London is one of the most popular American writers in the world alongside Mark Twain. Yet for the reader tackling *The Call of the Wild* or *White Fang* or perhaps his most often anthologized short story *To Build a Fire*, many misconceptions about his life confuse his legacy. *London in His Own Time* is based on Jeanne Reesman's nearly thirty-five years of archival research. The book offers surprising perspectives on Jack London's many sides: by family, friends, fellow struggling young writers, business associates, high school and college classmates, interviewers, editors, coauthors, visitors to his Sonoma Valley Beauty Ranch in Glen Ellen, California, and more. People who have commented on and discussed the mercurial genius include Joseph Conrad, Theodore Dreiser, Upton Sinclair, Sinclair Lewis, Ambrose Bierce, and Mary Austin, as well as his half sister Eliza London Shepard and his first wife Elizabeth Bess.
