Healing Mandalas And Messages From The Angels Of Atlantis:

Healing Mandalas and Messages from the Angels of Atlantis Sarah Hunt, 2014-10-28 Running a crystal workshop was the last place that I expected to be given a message by Archangel Gabriel The student who received the message was as surprised as I was She was lying in a crystal grid and suddenly told me there was a great big angel standing by her Gabriel asked her to tell me that Archangel Metatron wanted to connect with me and that was the start of my connection with not only Metatron but all of the wonderful Angels of Atlantis I was told that by working with them I am fulfilling a promise that I made before I was born to help bring a message of love and peace to the world They are the most beautiful beings of love and light and I feel honoured to bring you their healing messages and mandalas

Prophecy the Missing Dimension of Healing, the Healing Power of Angels Karma of the Nations Elizabeth Clare Prophet, 1988-03 **Mandala-365** Dr. M. P. Khan NMD, MD, 2016-11-03

In a very real sense each of us is a mandala Some of us have intricate patterns and colors reflecting the complex experiences of our lives Some of us are simple arcs of existence with minimalist designs and subtle colors and every possible combination in between Each of us is as unique as our individual DNA which strangely in cross section on electron microscopy looks like a mandala But unlike our DNA our mandalas are constantly shifting shapes and colors as we make our choices as to the best way to live our lives All designs of the mandala have a border the interface we have with one another and the material world And each mandala has a center the singularity where the trinity of mind body and spirit integrates and unites with the divine self **The Angels of Atlantis** Stewart Pearce, 2011-12-01 Based on the teachings of the 12 archangels of Atlantis this spiritual resource reveals how to become aligned with their power and wisdom The 12 angels are depicted through extraordinary illustrations that accompany their written message and each angel is mirrored by a priest scientist that contributes to its divine energy A series of exercises awakens the archetypal guidance of each incredible force creating a spiritual environment in which joy and well being are sustainable Providing faith seekers with a deep connection to the ancient realm of Atlantis these inspirations offer powerful counsel and healing

Parapsychology, New Age, and the Occult, 1993 *Unfolding Our Light* Michael Eastwood, 2013-10-01 Based on his work with the Crystal Oversouls *Unfolding Our Light* explores a new vision for an awakening humanity which takes into account the changes to the traditional model of auras and chakras The book explains Eastwood's childhood connection to light beings and a particular experience he had as a child This experience connected him directly to light beings and their guidance The book follows the light beings message In Lemuria your vastness was reflected through at least ten layers of your aura as well as ten chakras awakened and fully operational In this lifetime humanity as well as all kingdoms of this planet will awaken from this slumber through an initiation the like that has not been since since Lemurian times This initiation will activate the ten layers of your aura as well as all ten chakras Through this you and humanity will remember union with the wider universe This human initiation will be keenly watched by the inner planes as well as other star worlds it
