Hortin,2015-10-23 It might be easier to say what this guide isn't rather than what it is. It isn't an in-depth look at every single function available within the WordPress dashboard. Nor is it a guide to help you develop or modify WordPress themes. It's an easy to follow WordPress manual that will help you to get an overall understanding of how you use the various features within the WordPress Dashboard to keep your website or blog updated. The official WordPress Codex is great if you want to get really involved in developing your own WordPress theme or modifying your site with plugins, but it can be a bit daunting for those users who just want a simple guide to using the Content Management side of WordPress or just need to update their site pages every so often. The Easy WP Guide will teach you how to add content to your website and keep it updated simply and easily. This version has been completely updated for use with WordPress 4.3.

WordPress Top Plugins

Brandon Corbin,2010-09-21 Annotation Bloggers, authors, coders, photographers, moms, dads, big companies, small companies, and even kids use WordPress to manifest their personas online. WordPress is used in every market in every country and continues to grow everyday. This explosive growth and international open source love affair was ignited the day WordPress announced the simple idea of a plugin. A WordPress plugin is a collection of files (PHP, javascript, CSS) that creates a small feature or modification to your WordPress blog. WordPress Top Plugins will teach you to add these plugins to an already built base WordPress site and customize them where applicable. This book will walk you through finding and installing the best plugins for generating and sharing content, for building communities and reader base, and for generating real advertising revenue. There is literally a plugin for almost anything you want to achieve in WordPress. This book will show you how plugins work and more importantly how to install and activate them on your blog without you having to touch a single line of code, unless of course you want to. Content is king, and it's pretty hard to generate. This book will cover some of the best plugins available on WordPress to generate unique and dynamic content. Once you have your blog loaded chock full of juicy content, you will learn how to turn your blog in to an overnight sensation by helping your readers to share it using tools to retweet, post on Facebook, and so on. This book will teach you how to build a community with one single killer plugin, namely BuddyPress, the best community building plugin available for WordPress. Once you are through with plugin basics, content, and building a community, this book will show you how to generate revenue. It will cover the top plugins for turning your blog into a money making machine. This book will also cover plugins focused on tweaking and perfecting your blog's overall look and feel and functionality. Nothing helps build a powerful online blog brand than a horde of talented writers to contribute their ideas and content, as well as their social network. This book will cover a bunch of plugins that will make working with multiple authors easy, efficient, and effective. Last but not the least, it will cover the best plugins for ensuring that your blog is secure, the database is running optimally, and in the case of an emergency, you have a full backup copy of your blog. While most plugins in this book are focused on a blog's frontend, this book will also cover some great non-public-facing plugins that make our lives so much easier and make your WordPress site a productive powerhouse.
