Biofuels Technical Information Guide ,1989 Handbook of Research Methods and Applications in Comparative Policy Analysis B. Guy Peters,Guillaume Fontaine,2020-04-24 Public policy research has become increasingly comparative over the past several decades but the methodological issues involved in this research have not been discussed adequately This Handbook provides a discussion of the fundamental methodological issues in comparative policy research as well as descriptions and analyses of major techniques used for that research The techniques discussed are both quantitative and qualitative and all are embedded in the broader discussion of comparative research design *The SAGE Handbook of Research Management* Robert Dingwall,Mary Byrne McDonnell,2015-08-17 The Handbook of Research Management is a unique tool for the newly promoted research leader Larger scale projects are becoming more common throughout the social sciences and humanities housed in centres institutes and programmes Talented researchers find themselves faced with new challenges to act as managers and leaders rather than as individual scholars They are responsible for the careers and professional development of others and for managing interactions with university administrations and external stakeholders

Although many scientific and technological disciplines have long been organized in this way few resources have been created to help new leaders understand their roles and responsibilities and to reflect on their practice This Handbook has been created by the combined experience of a leading social scientist and a chief executive of a major international research development institution and funder The editors have recruited a truly global team of contributors to write about the challenges they have encountered in the course of their careers and to provoke readers to think about how they might respond within their own contexts This book will be a standard work of reference for new research leaders in any discipline or country looking for help and inspiration The editorial commentaries extend its potential use in support of training events or workshops where groups of new leaders can come together and explore the issues that are confronting them **A**
