Healing Hearts Kathy Shelton, 2014-02-03 Healing Hearts A Journey in the Midst of Spiritual Adversity is the remarkable story of many emotionally painful and traumatic experiences from author Kathy Sheltons life telling how the Lord Jesus Christ healed deep places of emotional and spiritual wounds in her heart so that she could then help others It was written to encourage those who have undergone painful and traumatic situations and let them know that there is healing and freedom available through the love of Jesus Christ Healing Hearts is also intended to be a resource for and inspiration to those who are currently serving the Lord or who are considering becoming involved in inner healing ministry Our spiritual growth is often blocked by unhealed emotional and spiritual wounds Most of us have been unaware of the effect that the painful and traumatic events in our lives have had on us and our ability to grow in the Lord Unless healing occurs for the pain that has been stuffed we may struggle for years and sometimes our entire life in our walk with God Spiritual maturity is a process It is not something that occurs automatically the moment after we ask Jesus into our lives Oh if it were just that simple In James 1 4 we are instructed to become mature and complete not lacking anything We must pursue spiritual maturity

and school yard squabbles Breaking The Silence: Confronting Betrayal in Friendships Oscar J. Starr III, 2024-06-10

Betrayal in friendships can take many forms and it often stems from a place of envy or jealousy Perhaps your friend is envious of your success your relationship or your marriage Instead of celebrating your achievements they may feel threatened by them and resort to underhanded tactics to bring you down One of the key signs of betrayal in a friendship is when your friend starts to exhibit behaviors that are out of character They may become overly critical of you constantly belittle your accomplishments or even spread rumors behind your back These actions stem from their own insecurities and feelings of inadequacy which they project onto you in an attempt to level the playing field Another red flag to watch out for is when your friend starts to distance themselves from you without any valid reason They may become elusive avoid spending time with you or suddenly become too busy to meet up This could be a sign that they are trying to create space between you so that they can carry out their betrayal without arousing suspicion Furthermore pay attention to how your friend reacts to your successes and failures
