| <b>Faculty Sponsor</b>                         |                                                                                                                                                                                                                                                                                                                |
| <b>Principle Investigator/Co-investigators</b> |                                                                                                                                                                                                                                                                                                                |
| <b>Abstract</b>                                | A brief (200 words or less) description of your project featuring research question, significance, design, and outcome determination                                                                                                                                                                           |
| <b>Background</b>                              | What work exists that has led up to your research question? Has anything similar been done before? How would your work contribute to the knowledge base and possibly affect clinical practice? Do not exceed one page. Use no more than ten references and list the references in the reference section below. |
| <b>Purpose</b>                                 | This should include your research question and could include a hypothesis, if appropriate.                                                                                                                                                                                                                     |
| <b>Specific Aim(s)</b>                         | Specific aim(s) is(are) the objective(s) of your research – what you want to accomplish. Specific aim(s) should be driven by your hypothesis.                                                                                                                                                                  |
| <b>Study Period (inclusive years)</b>          | Over what period of time will your study population be collected?                                                                                                                                                                                                                                              |
| <b>Study Design</b>                            | What type of study are you designing? Cohort, case-controlled, case series? How is the study designed to answer your hypothesis and specific aim(s)?                                                                                                                                                           |
| <b>Inclusion Criteria</b>                      | Criteria that will identify the study population.                                                                                                                                                                                                                                                              |
