

Business Case for My Fashion Neckties

Problem The fashion industry has experienced a serious shortage of new designs and styles, especially in the necktie market. This is due to the fact that the industry has been dominated by a few large companies that have been producing the same designs for decades. This has led to a lack of innovation and a decline in the quality of the products. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.

Investigation

in 20

The first step in the investigation was to identify the current market for neckties. This was done by looking at the sales of the major necktie manufacturers. It was found that the market for neckties is currently dominated by a few large companies that have been producing the same designs for decades. This has led to a lack of innovation and a decline in the quality of the products. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.

The next step in the investigation was to identify the reasons for the current market situation. This was done by looking at the history of the necktie industry. It was found that the industry has been dominated by a few large companies for decades. This has led to a lack of innovation and a decline in the quality of the products. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.
