Duke Southard, 2016-06-17 When Linda Phillips is found brutally murdered in her home it appears to be an open and shut case. However, potential suspects multiply as Detective Parker Havenot digs deeper. He is finally left with only circumstantial evidence in a well planned and executed crime. However, Detective Havenot isn't convinced by the circumstantial evidence. He has a hunch that Linda's tragic death is the last link in a chain of events that began deep within her past. Months pass and his relentless pursuit of the truth produces no other leads except to uncover a side of the quiet rural town that surprises the seasoned homicide detective. Will the trail grow cold before Parker can identify the killer? [Arthur's Illustrated Home Magazine](#), 1879

**How to Get Out of the Friends with Benefits Zone** Tatiana Busan, 2024-11-16 With a guy you sleep with you're not just friends; you're friends with benefits. You're being friends with benefits but you're secretly hoping that it can work out. You're not actually together but you're close. You enjoy his company but you're hoping for a chance at a relationship. You don't want to admit that if you were to tell him you want a serious relationship he'd disappear. Even if you're telling me I like having sex with him without strings attached I like being his friend with benefits. You're lying to yourself. And it becomes natural for him to behave like a friend with benefits since he doesn't have to make any effort to maintain your interest. In this case he doesn't perceive your quality and you don't represent a challenge for him. This path is for you if you are looking to transform a friend with benefits into a relationship. The path allows you to go from a friend with benefits to a girlfriend to make a friend with benefits fall in love and to achieve the love life you have always dreamed of.
