

Macbeth Questions and Answers

Act 1

1. Macbeth has the greatest potential for evil - the fact that the 3 witches or "weird sisters" introduce Macbeth, is to reveal his potential for evil, it is key to events in the plot, the tone of the play and the way the readers will view Macbeth
2. It is the reversal of the order of things, what was once pure/untainted/innocent/strong etc. will turn into corruption/evil/extreme guilt/loneliness/heartache/unhappiness. In Macbeth's world, things that should be good turn out to be bad; the witches' prophecies give hope for Macbeth's future, yet bring out the worst in him. Even the weather is foul after they have achieved a wonderful victory in the civil war in Scotland.
3. The captain who describes the battle to King Duncan speaks as though he has witnessed a superhero/extraordinary human who makes his way through the battlefield by sheer power of will and tremendous strength, even when faced with the villainous Macdonwald, who has reinforcements, Macbeth does not yield. The reference to Macbeth as Bellona's bridegroom/groom (Bellona was the Ancient Roman goddess of war) is quite apt.
4. He is an extremely brave and fierce warrior/soldier; he may not have an equal when it comes to battle.
5. They were quite close/intimate friends and Cawdor was someone whom Duncan had trusted absolutely.
Note: "No more that Thane of Cawdor shall deceive/Our bosom interest," also foreshadows how the next Thane of Cawdor (Macbeth) will deceive them.
6. To comment on the bloody events(betrayal) of the victorious day(they won), this also connects him with the witches.
7. It connects Macbeth to the witches and to the central theme, it also foreshadows the impact the witches will have on Macbeth's life.
8. Banquo's reaction is one of jealousy or envy. He asked, "what about me?" No doubt, Banquo is happy for Macbeth, but he really wants a prophecy for himself, but unlike Macbeth, Banquo questions whether or not it was real, he doesn't believe the prophecies of the witches until Ross arrives and confirms the prophecy, even then Banquo senses danger and tries to warn Macbeth about the possible harm that seemingly innocent & wonderful prophecies might have.
9. It reveals his ambition getting the better of him, he is eager and excited despite the unlikelihood of the witches' prophecies coming true
10. He questions Ross and Angus on why they award him a title(on Duncan's behalf) that doesn't belong to him, at this point he is not aware that the Thane of Cawdor had betrayed Duncan and was to be executed
11. He wishes to temper Macbeth's ambition, Banquo is aware that Macbeth is an ambitious person and realises that the witches' prophecies might come true, but with horrible consequences. He knows that if it stands in Macbeth's destiny to become king, Macbeth would pursue that ideal regardless of the chaos and heartache it may cause
12. He decides to leave it to fate and not meddle in the situation and by any means force the prophecies to come to fruition, he will leave it to fate and time.
13. **Numbering mistake (there is no nr. 13, per accident, not superstition.)**
14. It reveals how outward appearances may be fooling (appearance vs. reality) and not reveal the true feelings/opinions/desires of an individual, people try to hide their true natures, it connects to the theme by communicating the idea that appearances may be "fair" when in reality they hide the "foul" (false) loyalties/courtesies/thoughts and dark plans of a person
15. Duncan is a rather flat character (because he is murdered so early on in the play) but a king of note, he cares deeply for his subjects/subordinates, as seen in his sadness over Cawdor's betrayal, but also his forgiveness of Cawdor despite having him executed because of his treason(he is perhaps a little too trusting), he is fair and greatly rewards those who protect and fight for his throne.
