Magnified Healing Complete Manual:

Universal Healing Manual John James, 2013-07-29 UNIVERSAL HEALING is an Ancient Angelic Distance Energy Healing System Mainly For Internal Self Healing And may be Used To Give hands on Healing To Other People You channel white matter And different types of matter In this Universal Healing you have control over this energy flow It may be possible to slow this healing it is not possible to stop it completely The 1st level Attunement After this attunement for the first three months you are not alone call and I will send you free healing and advice about universal healing by text or email The 1st level attunement will connect you to source and allow a flow of light through you to take place Once you are attuned you will have control over your own healing energy flow This healing is on all the time even if you are incapacitated This energy will work constantly to regenerate your bodies physical systems This flow at first will be felt then in time you will not be aware of its flow you will be used to it when you have a pain in your body instead of trying to ignore it think about it ask for the pain to stop the pain will decrease Pain is a way the body lets you know there is a problem area you need to work on sometimes long term problems may take you time to find within you what you need to work on to clear it Think about the area and it will receive healing The 2nd level Attunement On this level you will be given tools of empowerment These are diagrams of energy tools Most of these special abilities you already have and are unaware of These tools will in time enhance the gifts within you Each person has their own abilities as you use these diagrams within your body to heal your internal body systems you will improve the manifestation part of your brain This is the part of your brain that manifests your every day life that allows you to walk through this playground I call life path Of course this process is not easy but it's fun The Master Attunement This is the level you will be taught how to do the attunements This is a simple process to teach you how to pass on this healing system to other people the power within you has increased The ability to regenerate tissue within you has increased now your internal BA and KA channels are starting to increase in strength and are used to heal your internal body systems with more efficiency Channels the main ones are the meridians the KA channels and the fine BA channels these flow through the immune system and through the minute cell matrix systems this is where most of the problems arise when the body starts to break down In a domino effect through out the bodies physical Holographic matrix All this is irrelevant because you don't need to know all this to use this healing system IE if you drive a car you only need to know how to drive it There is no need to know how to fix it for this you call in an expert mechanic It's the same for universal healing to fix your self call in the angels and they will fix you Most of your self healing and expansion and learning has now taken place from this point on you will receive information and guidance from me as an equal The 2nd phase level This is an expansion of your physical and emotional awareness you will feel peace throughout your being this expansion may be felt by every one around you they may see the difference in you as you gain more control over the environment around you The Grand master Attunement This attunement will in time dispel completely the egos control over you bringing you into balance Allowing the I am Presence to

shine through Your peaceful light may shine around you for about 200 miles this is your aura **Magick of Reiki**

Ness,2025-01-17 Colorectal cancer also referred to as bowel cancer remains one of the leading causes of cancer related deaths worldwide Despite advancements in medical science and increased awareness many people are still unaware of how

to spot the signs early or fully understand the range of treatments available This book seeks to provide a comprehensive overview of colorectal cancer offering a guide that spans from the basics of the disease to the ways patients can manage and recover after treatment It s important to remember that no one expects to hear the diagnosis of cancer least of all colorectal cancer It can seem like an overwhelming experience and many individuals find themselves lost in a whirlwind of information decisions and emotions For the patient their family and friends this time can feel like a personal crisis yet knowledge and understanding are powerful tools that can help make the journey less daunting In this book we aim to walk with you through each step of the experience from understanding what colorectal cancer is to navigating the often complex medical processes to the lifestyle adjustments that aid recovery For the many individuals who will be affected by colorectal cancer in the future this book serves as a guide to empower and inform Whether you re facing the diagnosis yourself supporting a loved one or simply interested in learning more about the disease the chapters within these pages will provide you with the knowledge necessary to make informed decisions reduce your risks and ultimately navigate the experience with greater understanding Cancer has been a subject of intense research for many years Through this work scientists and medical professionals have identified ways to treat and manage colorectal cancer more effectively than ever before Treatment plans have evolved significantly and the opportunities for patients to live full lives post treatment have increased dramatically However it s important to be aware of the challenges that still lie ahead In many cases the road to full recovery can be a long one with frequent medical appointments various forms of treatment and lifestyle changes At the same time it s critical to remember that every patient s journey is unique and there s no one size fits all solution For those who have already faced the challenge of a colorectal cancer diagnosis this book also seeks to serve as a reminder of the strength of the human spirit It s a testament to the resilience that so many people demonstrate in the face of adversity From the first appointment to life beyond treatment there is always hope This book is not just for patients but for their caregivers families and the community at large The journey to recovery is not one that should be traveled alone and understanding how to provide emotional and practical support is crucial to the healing process The medical community has also made great strides in colorectal cancer prevention screening and early detection making the possibility of survival higher than it has ever been The importance of early intervention cannot be overstated Many of the cases that end in success are those in which cancer was detected early and treatments were started promptly This preface serves as the beginning of a conversation that spans the entire spectrum of colorectal cancer from prevention and diagnosis to treatment recovery and the impact on patients emotional and physical well being As you read on I encourage you to approach the material with an open mind ready to learn and apply new knowledge Whether you re a patient a caregiver or someone seeking to understand more about this disease the information you gain here can help pave the way toward a healthier more informed future It s time to embrace the possibility of recovery the power of early detection and the strength of the human spirit in the face of adversity Through this book we aim to provide

the tools and insights that can transform the journey of those affected by colorectal cancer ultimately making it more manageable and less frightening
