The Social Cancer: A Complete English Version of Noli Me Tangere José Rizal, 2023-11-16 José Rizal's *The Social Cancer* A Complete English Version of *Noli Me Tangere* is a groundbreaking work that exposes the injustices and corruption prevalent in Filipino society during the Spanish colonial period Written in a socio-political context the novel delves into themes of abuse of power social class disparities and the struggle for national identity Rizal's literary style is characterized by vivid descriptions compelling dialogues and insightful social commentary making it a classic masterpiece of Philippine literature The book serves as a powerful critique of the oppressive Spanish regime shedding light on the harsh realities faced by the Filipino people at that time Through his storytelling Rizal aims to awaken the readers' consciousness and inspire them to take action against injustice José Rizal a prominent Filipino nationalist and intellectual was deeply committed to the cause of social reform and independence His firsthand experiences of colonial abuse and his visionary perspective on liberation informed his writing of *The Social Cancer* Rizal's background as a physician writer and activist shaped his unique voice and perspective on societal issues making this novel a timeless and relevant piece of literature I highly recommend *The Social Cancer* to readers interested in exploring the complexities of colonial history social justice and national identity Rizal's poignant portrayal of the Filipino struggle for freedom will leave a lasting impact on anyone who delves into this thought-provoking work [The Classic Myths in English Literature and in Art](#) Thomas Bulfinch, Charles Mills Gayley, 2023-10-20 In *The Classic Myths* in

English Literature and in Art edited by Thomas Bulfinch and Charles Mills Gayley the reader is introduced to a meticulously curated anthology that explores the enduring allure and profound impact of classical myths on English literature and art Through a diverse array of literary styles the collection offers a comprehensive examination of how ancient myths have been reimagined and reinterpreted across different periods highlighting the transformative power of mythology in shaping cultural narratives The anthology stands out for its rich tapestry of perspectives weaving together seminal works that underscore the contemporaneous relevance of these age old stories This scholarly compilation benefits immensely from the diverse backgrounds of Thomas Bulfinch and Charles Mills Gayley whose collective expertise in mythology and literature provides an unparalleled insight into the interplay between myth and artistic expression Aligning with various historical and cultural movements their curation underscores the timeless nature of these myths demonstrating how classical stories have continually adapted to reflect critique and influence societal values and human experiences across ages The Classic Myths in English Literature and in Art is an essential read for those intrigued by the symbiotic relationship between mythology literature and art It offers readers a unique portal to explore the myriad ways in which myth has permeated English literature and art fostering a deeper appreciation for the ingenuity with which these tales have been retold The anthology not only enriches ones understanding of literary and artistic tradition but also invites an engaging dialogue between the past and the present making it an invaluable resource for both scholars and enthusiasts alike

The Old English Drama: The second maiden's tragedy.- A pleasant conceited comedy.- The ball.- The rape of Lucrece.- v.2 Love's mistress, or the queen's masque.- Albertus Welenstein.- Dido, queen of Carthage.- The lady's privilege ,1825 Some Old English Worthies Dorothy Senior,1912 The Classic Myths in English Literature and in Art Based Originally on Bulfinch's Age of Fable Thomas Bulfinch,Charles Mills Gayley, Purpose of the Study Interwoven with the fabric of our English literature of our epics dramas lyrics and novels of our essays and orations like a golden warp where the woof is only too often of silver are the myths of certain ancient nations It is the purpose of this work to relate some of these myths and to illustrate the uses to which they have been put in English literature and incidentally in art The Fable and the Myth Careful discrimination must be made between the fable and the myth A fable is a story like that of King Log or the Fox and the Grapes in which characters and plot neither pretending to reality nor demanding credence are fabricated confessedly as the vehicle of moral or didactic instruction Dr Johnson narrows still further the scope of the fable It seems to be in its genuine state a narrative in which beings irrational and sometimes inanimate are for the purpose of moral instruction feigned to act and speak with human interests and passions Myths on the other hand are stories of anonymous origin prevalent among primitive peoples and by them accepted as true concerning supernatural beings and events or natural beings and events influenced by supernatural agencies Fables are made by individuals they may be told in any stage of a nation s history by a Jotham when the Israelites were still under the Judges 1200 years before Christ or by Christ himself in the days of the most critical Jewish scholarship by

a Menenius when Rome was still involved in petty squabbles of plebeians and patricians or by Ph drus and Horace in the Augustan age of Roman imperialism and Roman letters by an sop well nigh fabulous to fabled fellow slaves and Athenian tyrants or by La Fontaine to the Grand Monarch and the most highly civilized race of seventeenth century Europe Fables are vessels made to order into which a lesson may be poured Myths are born not made They are born in the infancy of a people They owe their features not to any one historic individual but to the imaginative efforts of generations of story tellers The myth of Pandora the first woman endowed by the immortals with heavenly graces and of Prometheus who stole fire from heaven for the use of man the myth of the earthborn giants that in the beginning contested with the gods the sovereignty of the universe of the moon goddess who with her buskined nymphs pursues the chase across the azure of the heavens or descending to earth cherishes the youth Endymion these myths germinating in some quaint and childish interpretation of natural events or in some fireside fancy have put forth unconsciously under the nurture of the simple folk that conceived and tended them luxuriant branches and leaves of narrative and blossoms of poetic comeliness and form The myths that we shall relate present wonderful accounts of the creation histories of numerous divine beings adventures of heroes in which magical and ghostly agencies play a part and where animals and inanimate nature don the attributes of men and gods Many of these myths treat of divinities once worshiped by the Greeks and the Romans and by our Norse and German forefathers in the dark ages Myths more or less like these may be found in the literatures of nearly all nations many are in the memories and mouths of savage races at this time existent But the stories here narrated are no longer believed by any one The so called divinities of Olympus and of Asgard have not a single worshiper among men They dwell only in the realm of memory and imagination they are enthroned in the palace of art
