**Ecphrastic Shields in Graeco-Roman Literature** Karel Thein, 2021-09-30 This volume takes a fresh look at ekphrasis as a textual practice closely connected to our embodied imagination and its verbal dimension it offers the first detailed study of a large family of ancient ecphrastic shields often studied separately but never as an ensemble with its own development The main objective consists of establishing a theoretical and historical framework that is applied to a series of famous ecphrastic shields starting with the Homeric shield of Achilles The latter is reinterpreted as a paradigmatic thing whose echoing down the centuries is reinforced by the fundamental connection between ekphrasis and artefacts as its primary objects The book demonstrates that although the ancient sources do not limit ekphrasis to artificial creations the latter are most efficient in bringing out the intimate affinity between artefacts and vivid mental images as two kind of entities that lack a natural scale and are rightly understood as ontologically unstable Ecphrastic Shields in Graeco Roman Literature The World s Forge should be read by those interested in ancient culture art and philosophy but also by those fascinated by the broader issue of imagination and by the interplay between the natural and the artificial

**Roman Warriors** Graham Sumner, Simon Elliott, 2022-11-04 Gathering together stunning artwork from Graham Sumner s impressive expansive portfolio featuring never before seen illustrations from the artist and reminding us of his exceptional ability to bring Ancient Rome to life through painting this colorful comprehensive anthology is a must have for any enthusiast of the period and of military history in general Introduced with a foreword by best selling historian and author Adrian Goldsworthy Sumner s beautiful color reconstructions of Ancient Roman warriors over time are complemented expertly with informative enlightening text by eminent historian and author Simon Elliott This combination of Sumner s illustrations and Elliott s writing leaves no stone unturned as they divulge information about this fascinating period of military history in mesmerizing intricate detail Readers will swiftly become fully immersed in this ancient world and will leave it with a wealth of knowledge about and a profound understanding of the warriors of Ancient Rome and a great appreciation for Sumner and Elliott s expertise in the area

**Telling God's Story Year One Activity Book** Sara Buffington, Sarah Park, Jeff West, 2011-01-25 A new religion curriculum from the team that brought you The Story of the World These lesson plans designed to accompany the weekly lessons laid out in Telling God s Story Year One available separately provide coloring pages craft projects and group activities to fill out an entire week of home school or private school study a core set of activities is also provided for the use of Sunday school teachers Coloring pages accompany each lesson and accurately reflect the historical setting of the original stories while a full range of crafts and activities help young students understand and remember

**Honour of Kings Ancient and American History Book 2 FULL COLOR TEXT** Ellen Gerwitz, 2014-08-17 This FULL COLOR textbook is based on the premise that God created the world approximately 6 000 years ago It takes key events from both the Bible and world history and places them into a single time line Great care is taken to separate fact from myth so that students can

clearly understand how history unfolded from 1 000 B C to 1 B C Photographs throughout the text enhance the student s learning After completing the ancient history section students will embark on a journey through an American history time line beginning with the Declaration of Independence in 1776 and ending in 1850 Multi level Non consumable Chronological time line Biblical world view Integrates both Bible and world history American History time line Hands on learning activities Encourages understanding of overall historical time line Covers the history of all continents **Charisma and Patronage** Andrew D. McCulloch,2016-04-15 A detailed and richly illustrated analysis of charisma and the political and cultural conditions in which charismatic figures arise this work of historical sociology critically engages with Max Weber s ambiguous concept of charisma to examine the charismatic careers of a number of figures including Joan of Arc Hitler and Nelson Mandela as well as that of Jesus who the author contends in contradistinction to Max Weber was not a charismatic leader in spite of his portrayal in Christian theology Shedding light on the process of charismatic transformation as it occurs within intensely solidaristic groups and the importance of patronage in charismatic careers the book distinguishes between charismatic rule and charismatic leadership With close attention to the social and political legacy of charisma for modern capitalism it also examines the emergence of a global class of the super rich a process buttressed by a belief on the part of business leaders in their own charismatic powers A rigorous examination of the under researched political process of charisma the understanding of which remains as important in modern society as in history Charisma and Patronage will appeal to students and scholars across a range of disciplines including sociology history politics and social geography

Analysis of the Cabinetmaker's Trade Leslie G. Stier,1923 **Concrete** ,1918 *Concrete* Harvey Whipple,1918

**Halloween** Joanne O'Sullivan,2003 Learn to make creative costumes designed just for adults everything from a sublime dancing queen to a fierce samurai warrior is included Also contains directions for how to set the appropriate atmosphere for a halloween party depending on the theme *The Play of Space* Rush Rehm,2020-07-21 Is space a thing a container an abstraction a metaphor or a social construct This much is certain space is part and parcel of the theater of what it is and how it works In *The Play of Space* noted classicist director Rush Rehm offers a strikingly original approach to the spatial parameters of Greek tragedy as performed in the open air theater of Dionysus Emphasizing the interplay between natural place and fictional setting between the world visible to the audience and that evoked by individual tragedies Rehm argues for an ecology of the ancient theater one that nests fifth century theatrical space within other significant social political and religious spaces of Athens Drawing on the work of James J Gibson Kurt Lewin and Michel Foucault Rehm crosses a range of disciplines classics theater studies cognitive psychology archaeology and architectural history cultural studies and performance theory to analyze the phenomenology of space and its transformations in the plays of Aeschylus Sophocles and Euripides His discussion of Athenian theatrical and spatial practice challenges the contemporary view that space represents a text to be read or constitutes a site of structural dualities e g outside inside public private nature culture Chapters on

specific tragedies explore the spatial dynamics of homecoming space for returns the opposed constraints of exile eremitic space devoid of normal community the power of bodies in extremis to transform their theatrical environment space and the body the portrayal of characters on the margin space and the other and the tragic interactions of space and temporality space time and memory An appendix surveys pre Socratic thought on space and motion related ideas of Plato and Aristotle and as pertinent later views on space developed by Newton Leibniz Descartes Kant and Einstein Eloquently written and with Greek texts deftly translated this book yields rich new insights into our oldest surviving drama Mosaics of Roman Africa Michèle Blanchard-Lemée,1996 Some of the finest examples of Roman mosaics survive in Tunisia The mosaics bring to life the rich dwellings introducing a civilization which flourished between the first and fifth century AD Illustrated with specially commissioned photographs this book captures the beauty of these floors Honorius Chris Doyle,2018-08-06 Honorius explores the personal life and tumultuous times of one of the last emperors of the Roman West From his accession to the throne aged ten to his death at thirty eight Honorius reign was blighted by a myriad of crises military rebellions political conspiracies barbarian invasions and sectarian controversies The notorious sack of the city of Rome occurred on Honorius watch and much of the western empire was given over to anarchy and violence This book should interest undergraduates research students and professional scholars Given the enduring appeal of the fall of Rome and the collapse of western Roman civilization the wider public should also find much of interest Concrete-cement Age ,1918 *Strangers in This World* Hussam S. Timani,Allen G.
