The Economies of the Balkan and Eastern Europe Countries in the Changed World Anastasios G. Karasavoglou,2011-01-18 The rapid changes in the economic and political climate of the Balkan and the Black Sea countries demand continuous adjustments in the mixture of the implemented economic policy in the area Under this framework there is a special interest to investigate the impact of the global economic reality in these economies the importance of their integration in the European Union as well as the foundation of various regional organizations that host many countries of the specific area Taking into consideration the current developments within the European Union the economic crisis that strikes the peripheral EU countries and the dispute over the credibility of the euro currency economists need to enhance the effectiveness of regional development to underline the value of FDI and entrepreneurship of the countries of the Balkan and

the Black Sea to assist the bank sector in order to support the level of productivity to control the financial flows with the help of auditing structures and to exploit human resources in order to achieve economical reforms in these countries. The current volume approaches among others the above matters and aspires to contribute to the further investigation of the possibilities and the perspectives of the economies of the region.

Wiley International Trends in Financial Reporting under IFRS Abbas A. Mirza, Nandakumar Ankarath, 2012-10-05 Wiley International Financial Reporting Trends provides copious examples of footnote disclosures and financial statement formats carefully culled from the world's leading international companies Global 500 that are already compliant with IFRS and report under IFRS standards promulgated by the International Accounting Standards Board the IASB. Arranged topically this book is a quick source of reference to find answers to issues of interest to financial statement preparers. It provides hundreds of illustrations taken from financial statements prepared under IFRS by global conglomerates thereby helping preparers and users of financial statements to expeditiously obtain examples of footnote disclosures and financial statements presented under these Standards which are popularly referred to as principles based standards as opposed to rules based standards. Additionally Wiley International Financial Reporting Trends contains comparisons of IFRS to US GAAP Indian GAAP and Chinese GAAP making it a truly global reference resource.
